UAE CORPORATE TAX

Service Offerings Overview – India

CORPORATE TAX ADVISORY

- Strategic tax solutions for all aspects of business activity, including entry strategy, holding company analysis, capitalisation, supply chain issues, IPR planning, tax incentives, cash repatriation, and structuring of sales and/or exits
- Tax advisory services for inbound and outbound investment structures, including structuring, planning, and risk management

REGULATORY ADVISORY

- Advising on the Indian regulatory framework in relation to business models being followed, transactions, investments, remittances, etc
- We can also provide assistance on the setting up of business, obtaining approvals from various regulatory authorities (including RBI, SEBI, DIPP, and SEZs), and provide solutions to complex regulatory issues

M&A TAX

- Advising on all aspects of M&A and implementation of restructuring, including acquisitions, mergers, demergers, restructuring of family holdings, joint ventures, and other group restructurings
- Promoter restructuring and succession planning
- Tax due diligence, post-deal integration and compliance support

TAX COMPLIANCE

- Assistance in preparation and filing of corporate tax returns, including advising on the maintenance of appropriate documentation relevant from a tax audit and/or assessment perspective
- Providing support for corporate tax litigation and advance rulings, including representation services before the tax authorities, and undertaking other compliances such as tax registrations, NIL, and/or lower withholding tax certificates from tax authorities, certification, etc.

Service Offerings Overview – India

DISPUTE RESOLUTION SERVICES

- In today's complex dispute landscape, we go beyond traditional litigation and closely collaborate with legal experts and other professionals, when required
- We resolve conflicts whether within families, joint venture partners, or shareholders while minimizing business disruption, leveraging analytics with expertise across financial, tax, regulatory, and commercial areas

TAX CONTROVERSY MANAGEMENT

- Tax Controversy Management, includes strategic support and representation in tax and transfer pricing litigation before tax and appellate authorities
- Alternative dispute resolution mechanisms, including Mutual Agreement Procedure (MAP), arbitration under Bilateral Investment Treaties, and tax advocacy and/or representations before the Government on policy issues

FS, FUNDS & FPI TAX ADVISORY & COMPLIANCE

- We offer a wide range of tax advisory, and compliance (including litigation support) services related to Financial Services entities, Funds and Foreign Portfolio Investors
- This includes assistance in structuring investments for Funds and FPIs in India and advising on optimal structures for Financial Services entities, along with outbound investments and advice on GIFT City structures

FAMILY OFFICES

- We offer a wide range of tax and regulatory services in relation to our Family Office practice, including advising on the appropriate family office structure and interaction with other advisors (such as AD Bankers, legal advisors, valuers, overseas advisors)
- Implementation assistance in relation to the structure (including entity set-up, regulatory approvals, finalization of relevant documents), ongoing review of the structure, and assistance with on-going tax compliances and litigation

Service Offerings Overview – India

SUCCESSION PLANNING & ADVISORY

- We offer a wide range of tax and regulatory services in relation to our Succession Planning and Promoter Advisory practice, that includes reviewing investment holding structures and advising on sale of assets and shareholdings in companies
- Residency planning from a tax and FEMA perspective, advisory on repatriation of capital under various available routes (such as LRS, NRO/NRE, OPI, ODI), creation of onshore and offshore family trust structures, approvals from regulatory authorities (such as RBI, SEBI, NCLT), and drafting of trust deeds, wills, and family charter documents

TRANSFER PRICING

- Developing and implementing transfer pricing strategy and global policies including value chain analysis projects, preparation of local and global transfer pricing documentation including Country-by-Country Reporting
- Assistance with both unilateral and bilateral Advance Pricing Agreements (APAs), and TP analysis of financial transactions and complex transactions involving intangibles

CUSTOMS AND TRADE

- Advisory services on customs and trade matters, including tariff classification, valuation especially for related party transactions (including support before the Special Valuation Branch), and compliance with international trade agreements,
- Structuring for optimizing tax incentives and holidays, including by way of bonded warehouse
- Assistance in seeking and obtaining approvals for MOOWR, SEZs, EOUs, STP units, and other schemes like AEOs, including guiding on SOPs/procedures,
- Conducting customs audits to assess compliance with customs regulations

GOODS & SERVICES TAX (GST)

- Advisory services on complex GST matters including determination of tariff classification, eligibility of exemptions
- Filing of annual return GSTR-9 and 9C including support with preparing reconciliations
- Assistance in GST refunds
- Due diligences, periodic reviews, health checks
- Support on all compliances and procedures including automated GST compliance processes to ensure timely and accurate filings, assistance with documentation

Service Offerings Overview – India

LITIGATION SUPPORT

- Comprehensive support for indirect tax litigation, including the drafting of legal responses/appeals, representing before tax/appellate authorities and Tribunal for matters relating to GST, Customs, and erstwhile indirect tax laws
- Providing legal strategy during summons/ investigations, drafting writ petitions and applications for advance rulings, and managing PAN India litigations using automated solutions

FOREIGN TRADE POLICY (FTP)

- Evaluating potential benefits available under multiple schemes under the FTP, advising on eligibility to claim, compliance conditions, and obtaining Advance Authorization / EPCG licenses / other licenses / refund from DGFT authorities
- Assistance in obtaining various other approvals like norms fixation, relaxation of conditions on meeting criteria, representation before DGFT for relaxations, notices, or inquiries and investigations conducted by DGFT authorities

INCENTIVES

- Comprehensive assistance in navigating and securing benefits under Production Linked Incentive (PLI) schemes and other Central Government programs, including end-to-end advisory on eligibility, application, and compliance
- Identifying potential State incentives available under various State industrial policies, highlighting qualification criteria, and supporting clients in securing such benefits

POLICY ADVOCACY

- Policy advocacy on Indirect Taxes, Product Regulations, Export Control Regulations, FTP, and allied laws before key ministries, regulatory bodies, and/or government departments.
- Proactively addressing industry concerns via public consultations, whitepapers, and policy recommendations

PRODUCT & EXPORT CONTROL REGULATIONS

- Comprehensive advisory services on Product Regulations (IS, QCO) and Export Control Regulations
- Assistance in navigating licensing requirements, obtaining permissions from governmental agencies
- Assistance in seeking clarifications from technocrats
- Litigation support services
- Assistance in compliance with Legal Metrology regulations on pre-packaged commodities, and providing advisory, compliance, and litigation services

Service Offerings Overview – Singapore

SINGAPORE ADVISORY

- Singapore and International Tax Advisory, including Regional Tax Strategy, IP planning and implementation
- Support on cross border tax matters including tax structuring and withholding tax implications
- Tax incentives and grants advisory and implementation
- M&A tax support including group restructuring
- Tax health check and design and review of internal controls
- Advance rulings and approvals from tax authorities on proposed arrangements

SINGAPORE SET-UP, COMPLIANCE AND SUPPORT SERVICES

- Business and Funds Set up
- Assistance with corporate tax compliance and audit support for queries raised by the tax authorities
- Withholding tax compliance and assistance with Voluntary Disclosure Program
- Support with application for Certificate of Residence
- Transfer Pricing compliance and documentation
- Goods and Services Tax registration and filing of tax returns

Service Offerings Overview – Middle East

MIDDLE EAST VAT

- VAT Impact Assessment, including Financial & Working Capital impact, Legal & IT Impact & Supply-Chain impact
- Awareness Sessions for business functions and verticals
- Redesigning Business Process, including in respect of documents, contracts, invoices, business processes & Technology
- Implementation Support/IT and System Upgrade Recommendation
- Hypercare Support

UAE CORPORATE TAX

- UAE Corporate Tax impact assessment, including financial impact and high-level assessment of the applicability of the CT regime on in-scope and exempt entities
- Conduct detailed impact assessment on business based on final CT and TP regulations, review pricing of inter-company transactions and policies and highlight potential uncertain tax and TP positions
- Assisting in CT implementation and advising on structural changes to incorporate tax function including CT registration
- Assistance in preparation of CT return and filing of CT return electronically and local TP compliances

Leadership

Dinesh Kanabar, CEO

- » Dinesh Kanabar, winner of the “Asia Tax Practice Leader of the Year – 2020,” is a stalwart in the tax and regulatory domain and is widely regarded among India’s top tax advisors. Over the decades, his peers have consistently recognised his deep expertise and unique ability to align business strategies with complex tax and regulatory frameworks, enabling transformative solutions for clients.
- » Before founding Dhruva Advisors, Dinesh held several leadership roles across major professional services firms in India. He served as Deputy CEO of KPMG India, Chairman of KPMG’s Tax Practice, Deputy CEO of RSM & Co., and Head – Tax and Regulatory at PricewaterhouseCoopers (PwC). He has also been on the Board of Shiv Nadar University in Chennai.
- » Dinesh has worked closely with the Government of India on several critical policy matters. He was a member of the Rangachary Committee, constituted by the Prime Minister to recommend tax reforms for the IT/ITES sector and to develop Safe Harbour Rules. He is also a member of the Body of Trade, formed by the Ministry of Commerce and Industry, and has served on the National Executive Committee of FICCI.
- » He currently serves on the boards of several of India’s most prominent companies, including Reliance Industries Limited, Jio Platforms Ltd, Adani Green Energy Ltd, and PVR INOX Ltd, contributing to strategic governance and long-term vision.
