

# Indeco Consortium Private Limited

An ISO 9001:2008 Company

*Perfection Provides Satisfaction*

# Preface

A Group of youngsters with impeccable academic background dreamt a dream and thus, the successful journey of "Indeco Consortium" had started in the year of 2001. The enviable curve creates a thumping impression with dynamic activities which is again enriched by the guidance of senior professionals under the green-eyed tutorship of Mr. Sujoy Nath and Mr. Tapas Chatterjee.

**Indeco Consortium Private Limited:** In the course of our journey, the partnership firm is upgraded to a Private Limited Company which would take over the business of the firm as a going concern to keep parity with the continuous growth of the unit with all its stock-in-trade, assets, goodwill, rights, title, interest enlistment rights as contractors, licenses, liabilities, obligations, privileges and benefits of all contracts incidental to the said business carried on the concern's name and style of **M/s. Indeco Consortium**.

## Our Role

Established on 2001 and has been gaining confidence and experience in Interior Design implementation as contractor. Our expertise in optimum utilization of space, interior design execution, renovation and correct usage of props enable us to provide services for commercial interiors for all segments starting from the decoration of big hotels & restaurants, show-rooms & shopping malls, office premises to very personal domestic / residential places.

We offer solutions to all our client's needs whether it would be a proper execution of space planning and interior design implementation. Our specialty is making the most of what the available resource with fullest satisfaction and comfort leaving which is functionally good. Eventually, clients as well as architects satisfaction is our main motto whereas we always pay justice and take care of quality, reasonable rates, timing and aesthetic manifestation.

## Our Skill

Our extensive skills encompass all aspects of implementation and operation, including business requirements clarity, development of functional specifications for authorities approval and supervision of development teams, Execution to achieve the target on stipulated time and resolving any and all troubleshooting issues that arises whether the client initiates or not. We pride ourselves as a team of self-motivators on our proven track record for effectively administering multiple implementations all within the deadline.

## Our Offering

# At A Glance

Exceptional functional and technical expertise coupled with extensive industry knowledge and dedication makes "Indeco Consortium", Kolkata the ideal choice as perfect Interior Contractor from the basic of design on time basis firm to manage the implementation of interior decoration of several clients fully satisfied and line with their expectation for couple of years since 2001.

It's not that the idea flashed into our brain all on a sudden with "Eureka-Eureka" sound but, our mind responded after a thoughtful call for the need of the hour that there is an ample scope to cherish the smile of client's for aesthetic and functional satisfaction.

Whatever success we may have achieved is backed by perseverance, endeavor and hard working with a "hawk eye" and "bullish target" as we mean it. The resultant effect of the entire success proves that we are equally comfortable for small owner-ship, big hotels like **"Oberoi Grand"**, **"Trident Hilton"** & **"Empires"**, **"Pantaloon"** & **"Big-Bazaar"** like retails, big shopping-mall, Interior office premises like **"Religare"**, **"Bombay Dyeing"**, **"DVC"** & **"Coal India** (Maha-Ratna Co)", bank like **"UBI"**, big car show-room like **"Mahindra"** and Indian brand-ambassador **"Maruti"** or it's a prestigious and world famous brand like **"Hyundai"**, **"VW"** & **"BMW"** to name a few. We are fully geared-up working for every corner of India and already completed projects for Assam, Bihar, Jharkhand, Odisha, Chattisgarh and West Bengal with special exposure to Kolkata mega-city.

The customers mind starts responding that creates impression when every inch of a corner gives satisfaction with aesthetical view and functional accomplishment. Three major parts are essentially has to be extra ordinary apart from others are off course "The Lobby", The Guest Rooms" and "The Restaurants".

# Hotel

"We know, **Indeco Consortium**, Kolkata is dedicated and conscious to maintain the target with quality works. The client wouldn't be disappointed for a fully functional and aesthetically good project work and finished the work before the time frame as we found them in our various projects like 'SAMBAD – Balasore', 'SEVA Resort, Bhubaneswar', 'Hotel Shakuntala' & 'Hotel Ananya' at Puri."

*B.B Rath, Architect  
SADC India, Bhubaneswar*

**Lobby:** the most important thing that your guest will notice when they visit your hotel is the lobby which is the welcome site for your guests. Hence, should take great care to make it extremely warm, blissful, welcoming and full of life for the guests. One should provide good effort to decorate it considering that a lobby is the "first impression maker" of a hotel.

**Guest Rooms:** must be comfortable, hospitable and perceptive. The guests should feel indulged and exceptional while living in these rooms. Depending on the space and shape of the room, one should decorate these rooms with superb paintings along with acrylic and silk which will be extremely comfortable for the guests. One may also set off for theme based decoration for guest rooms.

**Restaurants:** should be decorated in such a way that it can churn out with something great for it. This is the best way to keep the guests enjoying the palatable stuffs are serve here. So, the conscious people usually try to decorate the walls with beautiful paintings, unique furniture and elegant & proper light fittings etc. Indeco consortium also undertakes different themes and upscale the rooms, lobby, restaurants, lounges, ball rooms, discotheques and receptions etc. and also can take care of every inch as we have mentioned earlier at the beginning. Rely on **Indeco Consortium** for mind blowing performance as contractor.

This interior decoration can also pamper customers in choosing a car that will be purchased. The front of the showroom is more visible as this design provides customer's comfort, stunning waiting lounge and a very exceptional and modern service desk. In addition to implement advanced design and a procurement of comfortable but spectacular furniture, a car showroom must be arranged to please the impulse of even the most passionately difficult and indulged customer along with such conveniences as Wi-Fi connectivity and a children's play area even.

# Automobiles

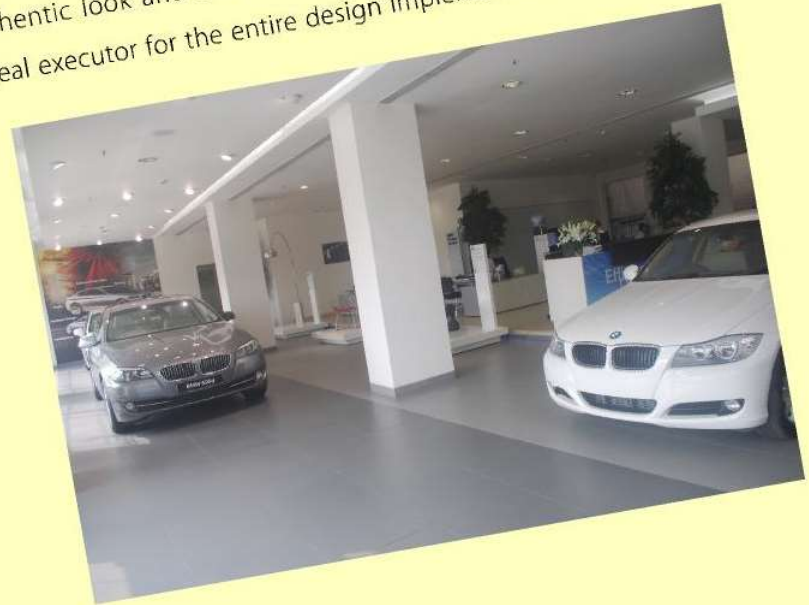

"Indeco Consortium as an interior developer / implementer for our projects, They have always been a team-player with a capability to lead as and when required. They have a sincere and hardworking team that exudes true professionalism and having a sense of pride for good work and follow-through in excellent manners. We worked together for 'Hotel Empires, Puri', Luxury Automobile Facilities for 'Volkswagen & BMW, Kolkata' and several premium residences amongst others."

Krishnendu Nandy, Principal Architect  
I.D.E.A.Z. Architectural Consultants, Bhubaneswar

It may also have an organized & open floor plan so the buyer does not feel trapped and also one shall leave no stone unturned to make a thriving first impression. While implementing the design of a car showroom, we always keep into mind that everyone has an office using glass walls where possible to create an open and airy feel. The design implementer should consider while decorating a showroom in a true sales environment can help buyers gain a better feel of how the products look and function in the proposed surroundings. Regardless of the industry, one can decorate the company's showroom in a way that gives buyers an authentic look and true visual demonstration of the products. We, "Indeco Consortium" can assure you and claims as a real executor for the entire design implementation of a theme.

An effective office planning will always care to enhance the productivity, professionalism and profitability. True professional workspace planner can help to get the most from the office. The office will project a professional image for clients either a person just entered into it or a habitual person renewing his / her habit

# Office

"The work for United Bank of India under our design and supervision was satisfactorily executed within stipulated time – frame. The mobilization, site management, workmanship and liaison activities of '**M/S. Indeco Consortium**' had been adequate and impressive. Recently, we have started working for Coal India Limited at Kolkata."

*S.K. De Sarkar, Principal Architect  
De Sarkar & Associates, Kolkata*

A warm and welcoming reception area to greet clients, proper furniture such as desks and chairs to ensure the good health of the staff and guest and a total functionality should be observed in a modern office besides working comfort and aesthetic view. Just think of "**Indeco Consortium**" as the perfect executor while implementing as contractor.

When anybody proceeds to choose a retail interior design implementer, the first decision is how the design will impact the marketing goals effectively. A successful design implementation - from the style of storefront to the location of the cash register - sends a message to the customer.

# Retail

"There are reasons that **Indeco Consortium** experiences what client remember and share. In such cases, an architect feels soothe and poise as interior design is a people business above all else. When architect and / or client share stories, produces new clients. That's a successful interior developer / contractor like **Indeco Consortium, Kolkata**"

*Anupam Ghosh, Principal Architect  
Archisn Work, Kolkata*

Retail interior design implementers are well aware how to sell the store itself by its choice of lightening, finishes and furnishings. Today's customers are usually blemished as they like being spoiled by being in beautiful places even they are not intended spending anything like loyalty. Thus, we "Indeco consortium" use to keep in mind the primary essence while implementing the design before execution.

A residential house can't be a place to stay only by any means. The house has to turn into a home with all functionality, hygienic, leaving comfort and above all has to capable of soothe individual's eyes with the attractive look which one always desire to have for the home.

# Residential

"Congratulations **Indeco Consortium** people, we found you as real executor for creative and artistic design & conscious to finish within deadline. We appreciate the combination of your knowledge with aesthetic vision as we found you while working in our project of 'Maruti Showroom, Baripada (Odisha)'."

*Minaketan Pati, Principal Architect  
Vastu Vikash, Balasore*

Thus, at the time of planning for interior decoration of any new house and who needs to turn the four walls into a home just rely on some professionals only or company. We, "Indeco Consortium" with extensive experience and dedication can convert your dream true as contractor and perfect executor for stunning performance.

"It was great fun working with them as they know their job well. I use to pretense trust upon them as the work will be finished within the stipulated time frame and they wouldn't allow to exceed budgetary constrains unnecessarily. So, congratulations Sujoy & Tapas and **Indeco Consortium** team. We have successfully done an office project of 'Zodiac Express' and several residential projects in Kolkata leaving all satisfied clients."

B. Jaiakshmi, Architect  
Kolkata

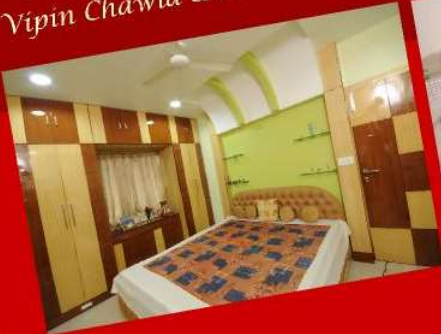

# Miscellaneous

"Indeco Consortium has the expertise and capacity to collect information about the materials and project cost to create an interior that is aligned with the architect's requirement as desired by the client. They use to ensure suitable provision of resources and work within an approved budget while quite caring to meet project deadline. They worked for our project of 'M/S. Jyote Motors – Showroom cum Office'."

Vipin Chawla, Principal Architect  
Vipin Chawla & Associates, Delhi
