All your industrial needs on us.

Jayshree

## About **Our Company**

With large team of professionals, our firm Jayshree Agencies is consistently growing in market in effective way by meeting needs of patrons. Incepted in the year 1967, our firm has become the preferred choice of precious industrial consumers. We are well reputed Wholesaler, Supplier, Distributor, Retailer and Trader of High Tensile Fasteners, Socket Head Cap Screw, Dowel and Tapper Pins, Spring Washer, Allen Grub Screws, Counter Sunk Screw, Button Head Screw and Taper Washer. All offered products are damage free and reliable in working. Moreover to this, these presented products are available in the market in different technical specifications. Widely demanded in mechanical industries, these products are superior in finishing and light in weight. Experts ensure proper delivery of these products at desired place of consumers.

Our experts work in close coordination to assist all infrastructural needs. These products are damage free and finely stored at our firm in proper packing. We are able to offer these fasteners in bulk too. With wide distribution network and best logistic facility, we are able to offer these fasteners in market in minimal time.

Under the guidance of our mentor Mr. Sanket & Mr. Jiten our organization is continuously heading towards the top position of market place. His much experience in relevant work and best marketing skills make us ahead among patrons.
