A multi-strand necklace is displayed on a black velvet mannequin. The necklace features several strands of small, dark, round beads. A central section of the necklace is composed of larger, gold-colored, textured beads arranged in a V-shape. The background is softly blurred, showing colorful bokeh lights.

A necklace is displayed on a black, textured bust. The necklace features a repeating pattern of three types of beads: a small, round, yellow bead, a larger, square, red bead, and a larger, square, white bead. The beads are strung together in a sequence of yellow, red, and white. The necklace is draped around the neck of the bust, which is set against a blurred background of a jewelry store.
