

POWER TOOLS & TACKLES

COMPANY PROFILE

We take great pleasure in introducing ourselves as one of the leading stockists and suppliers of all construction and industry based requisites. We are a part of a pioneer house with over 25 years of experience and market leadership in the field. We see our product range and our operational capacities as our biggest strengths; a factor that has helped us make our

presence felt throughout South India.

With over 10,000 unique products under our wing, spanning over a number of key sub-categories, our range and scope of products are unparalleled covering:

Product Range:

- **Safety Personal Protection:** shoes, helmets, belts, safety nets, ear and eye protection and full range of anchorage solutions. We also specialize in Road Safety solutions.
- **Hand and Power Tools:** full range of products manufactured by some of the worlds most reputed brands.
- **Lifting Tools:** Chain Pulley Blocks, Wire Rope Slings, Nylon Slings, D-Shackles and a full ranged ropes
- **Light Construction Machinery:** concrete based technology, soil and asphalt compaction and demolition equipment.
- **Welding and Gas Cutting Equipment:** welding rods, inverter welding machines, welding cables, cutting torches and regulators.
- **General Hardware Items:** Scaffolding equipment, binding wire, nails and other general construction products.

As suppliers to some of the largest and most reputed companies in South India, we pride ourselves on the brands we carry which include:

Authorized Distributers and Dealers:

- "Karam Industries": For industrial and construction based safety products.
- "Udyogi Plastic Pvt. Ltd. ": For industrial and construction based safety products.
- "Acme Fabrik Plastic Co": For a comprehensive range of Safety shoes and rainwear
- "3M India Pvt. Ltd": Market Leaders in Personal Protection Equipment.
- "Honeywell India Pvt. Ltd.": Premium Equipment for Industrial Safety
- "Polymak": For abrasives required for cutting and grinding purposes for a variety of raw materials like steel, granite, concrete and wood.
- "Polyhose": For Thermoplastic and PVC based hydraulic hose pipes.
- "Wacker Neuson": For concrete based technology, soil and asphalt compaction and demolition.
- "TUFROPES": For safety nets and safety ropes of all ranges.
- "Bosch, Hitachi and Makita": For your complete range of electrical power tools.
- "Stanley and Tapaira": For the entire range of hand held tools of premium quality.
- "Messer": (L&T- Welding Products): for your welding and gas cutting requisites.

Some of our major clients within the construction and industrial fields include:

Larsen and Toubro Ltd | Sobha Developers | JMC Projects Pvt | Shapoorji Poonji | Tata Projects Pvt. Ltd | JBM Group
Defense Research & Development Organization, DRDO | Gas Turbine Research Establishment, GTRE
Toyota Kirlosker Auto Parts | Mylan Labs | Sodexo Facilities Management | Mahindra Aerospace | Air India Stats
Tata Power Solar | ACC Ltd | General Electric | Biocon | Apotex Research Pvt. Ltd | Himayala Health Care
Jubilant Life Sciences | Tyco Fire and Safety

Besides the extensive listing above we also stock general hardware equipment and have an in house assembly unit of low/high pressure hydraulic hoses. Our products have been accepted and utilized by numerous clients and we have satisfied the needs of these reputed clients through competitive pricing and prompt delivery schedules.

In pursuance to what has been stated above, we wish to have the opportunity to become your associates in the venture end.
