PROJECT TIMELINE & PROCESS

1. **Initial Consultation and Planning:** Elite Home Interiors begins by thoroughly understanding your needs, discussing budget, timelines, and project parameters to align with your vision. We offer initial insights to kickstart the design process.
2. **Site Inspection and Measurement:** After the consultation, we perform a detailed site inspection to assess your space accurately. Precise measurements are crucial for our planning, ensuring every aspect of your project is considered.
3. **Giving Quotation:** Once we've gathered all necessary information, we'll provide a comprehensive quotation tailored to your project requirements and our site assessment. This transparent approach outlines the scope of work and costs upfront.
4. **Acceptance and Work Agreement:** Upon presenting the quotation, we seek your approval and finalize the work agreement. Your acceptance ensures alignment on all project aspects, laying the foundation for a successful collaboration.
5. **Finalization of Design Concept or Reference Images:** We value your input in finalizing the design concept. Whether refining your vision or drawing inspiration from provided images, we ensure the design reflects your unique style.
6. **Material Sourcing and Ordering (Day 1):** On Day 1, we initiate sourcing and ordering of materials required for your project, ensuring the quality and integrity of your finished space.
7. **Inner Laminate Pressing (Day 2):** Day 2 marks the commencement of laminate pressing for inner surfaces, ensuring optimal results with sufficient curing time.
8. **Preparation of Site for Installation (Day 3):** Preparation of site for installation, essential structural work begin.
9. **Structural Preparation and Simultaneous Laminate Selection (Day 4-27):** Continuing through Days 4 to 27, we focus on structural preparation while carefully selecting laminate materials. Our goal is to complete all structural work within 28 days from our initial consultation.
10. **Laminate Installation (Day 28-40):** From Day 28 to 40, our skilled team ensures precise installation according to the design plan, with attention to detail throughout.
11. **Finishing Works (Day 41):** On Day 41, we apply final touches and complete finishing works to enhance the quality and aesthetics of your space.
12. **Inspection of Work and Finishes (Day 42):** Day 42 involves a thorough inspection of completed work and finishes, ensuring compliance with our stringent quality control measures.
13. **Final Adjustments (Day 43):** Any necessary touch-ups are addressed promptly on Day 43 to ensure your complete satisfaction.
14. **Client Walkthrough and Ratings (Day 44):** We invite you for a walkthrough on Day 44 to review the completed project and provide valuable feedback, prioritizing your satisfaction.
15. **Project Handover (Day 45):** On Day 45, we formally hand over the project, ensuring all requirements are met and obtaining your final ratings and feedback. Your happiness with the outcome is our priority.
