01 ABOUT COMPANY

Nuovo Consulting is dedicated to equipping individuals and organizations with essential skills and knowledge. With a diverse range of courses and workshops, Nuovo Consulting offers tailored training programs designed to enhance professional capabilities across various industries. By providing practical insights and cutting-edge training methodologies, Nuovo Consulting empowers learners to excel and thrive in their respective fields

02 COMPANY VISION & MISSION

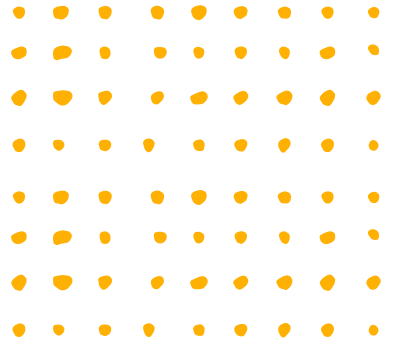

Nuovo Consulting ventured into the training business to address the growing need for professional development and upskilling. Recognizing the importance of continuous learning, they aim to bridge the knowledge gap by offering comprehensive training programs that empower individuals and organizations to thrive in an ever-evolving business landscape.

01 Vision

To be the premier training and development institute in the northeast, empowering individuals and organizations to unlock their full potential and excel in their respective fields.

02 Mission

To provide top-notch training programs and resources that equip learners with practical skills, knowledge, and insights for professional growth and success.

01 We Partner

We are the strategic learning partner for companies, providing tailored training solutions to enhance employee skills and performance.

02 We Nurture

We nurture talents through customized training programs that unlock potential and drive professional growth.

05 OUR SPECIALITIES

01 Learning Consulting

We help companies achieve business impact through effective learning strategies. We provide a clear, step-by-step approach to understand and define learning strategies that align with business goals and broader talent management strategy.

02 Leadership Development

Our Leadership Development Program helps build an individual's leadership skill and capacity to excel, both personally and professionally, in their role and organization. Our programs are research-based and build needed competencies while preparing leaders to tackle the challenges they face.

03 Performance Consulting

We work with organizations to produce business results by improving the performance of people in the organization. We are results-focused and concentrate on the gaps that exist between business and performance results.

05 OUR SPECIALITIES [Contd.....]

04 Professional Enhancement

Nuovo Consulting's professional enhancement training program offers tailored courses and resources to help individuals sharpen their skills, expand their knowledge, and reach their full potential. It equips participants with the tools needed to excel in their professional pursuits.

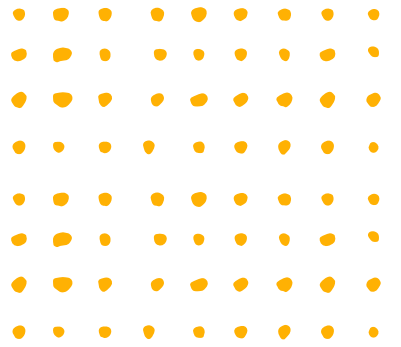

05 Organisational Culture

Based on the assessment findings, we design customized training programs that align with the desired cultural attributes. These programs focus on developing the knowledge, skills, and attitudes necessary to foster a positive and high-performing culture.

06 Managed Learning

Through our managed learning services, we handle all aspects of the learning process, from initial needs assessment to post-training evaluation. This includes curriculum design and development, content creation, learner engagement strategies, delivery methods, and performance tracking.
