Extraordinary outcomes is what life always showers
The seed of change that were sown decades ago
Many milestones achieved, few still to go
Once a sapling, is now a giant mango tree

HISTORY

Tried and tested might feel a safer route but not everyone wants to follow that path. For visionaries like Shri. Ambalal Patel and Shri. Tulsibhai Patel, it was always about something different that their heart was set on. Having the Patel family on their side, they started an independent business by venturing into the quarry business. Later, they moved on to other affiliated businesses such as construction etc. Amidst all of this, God had other wonderful plans which ultimately led to the inception of Knack Packaging Pvt.Ltd.
