## About PROGREEN®

Conceptualised and established in 2005 as a subsidiary of SMP Enterprises Pvt. Ltd., PROGREEN is the one-stop-shop for exclusive natural looking artificial turf. We pride ourselves in offering premier quality turfs to companies, ultimate consumers and also for sports and recreational projects.

Since our inception, we have specialised in the development, production and marketing of our innovative and supreme 'naturally artificial' turfs, so much so that today we enjoy a lion's share of the market and are widespread in more than 25 cities across the length and breadth of India.

With an experience of over 10 years and a thousand projects spanning across atleast a million square feet, PROGREEN is numero uno when it comes to reliable sports flooring and artificial turfs.

## WHY CHOOSE PROGREEN®

With a belief in providing consumers with the highest standards of quality, sustainability and unimaginable pleasure, PROGREEN offers all users the best artificial turfs that are oh so natural!

PROGREEN let's you enjoy the following extraordinary delights in the world of artificial turfs.

- Most natural looking grass which feels (and plays) real.
- Proven quality and reliability.
- Safe for childrens and pets.
- Environment friendly and non-toxic, lead free products.
- Trained, professional installation.
- Maintenance free : No watering, fertilising, mowing and insect resistant.
- Latest technology and innovation.
- 5-8 Years warranty on UV stability and fibres coming out.
- Estimated life of over 15-20 Years.

With such splendid features, it's difficult to stop yourself from choosing PROGREEN as Your feet will rejoice, merely with one touch.
