

ABOUT US

Welcome to Sevda Pharmaceuticals, where the name itself reflects our core values - "Sevda," of Turkish origin, meaning Passion and Love. Passion for your job and Love for your work are principles that we embody in all aspects of our lives, especially when working towards the betterment of society. At Sevda Pharmaceuticals, we're dedicated to making the world a better place by assisting people in leading healthier lives.

OUR MOTTO

"Nurturing Lives, Creating Healthier Communities."

MISSION

Our mission revolves around contributing to the pharmaceutical industry through innovation, research & development, and the optimal utilization of resources. We aim to create value for our stakeholders and associates while continuously working towards the betterment of healthcare worldwide.

VISION

Our vision is to emerge as a leading pharmaceutical company in India and abroad by providing high-quality medical treatment, encompassing medicines and various healthcare facilities. We are dedicated to offering these services at affordable prices, ensuring accessibility for all.

CORE VALUES

- Innovation, Research & Development
- Team Work & Integrity
- Responsibility
- Customer Satisfaction
- Community Serving

WHY CHOOSE US

The People - Our Greatest Asset

At Sevda Pharmaceuticals, we recognize that our most valuable asset is our people. Empowered with talented individuals, we take strides to deliver exceptional value to our customers, associates, end consumers, and society at large.

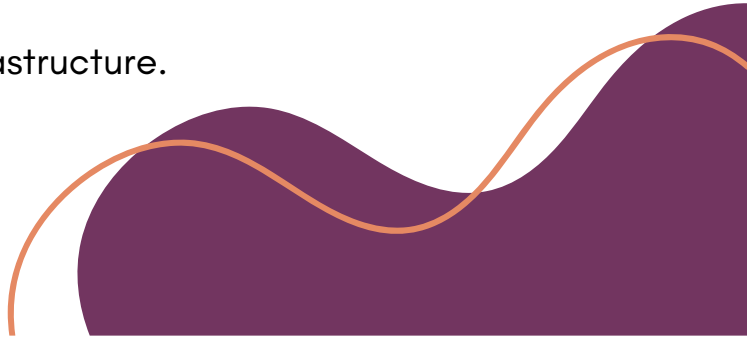

Equal Opportunity Employer

We proudly embrace diversity and are committed to being an equal opportunity employer. We believe in fostering a positive organizational culture where everyone can grow and thrive to their full potential.

Sevda-ians: A Proud Community.

We take pride in addressing ourselves as Sevda-ians, a community of dedicated individuals united by a common goal - making a positive impact on global health.
