

FASTFACTS

Bose Smart Soundbar 300

1

Spacious sound

With four full-range drivers, a center dome tweeter, and two ports, this smart soundbar is built to deliver spacious, clear dialogue, and rich bass to get completely absorbed in your favorite movies, shows, music or games.

2

Built-in Amazon Alexa and Google Assistant*

Enjoy millions of songs, playlists, and more with just your voice. The noise-rejecting microphones work together to listen in every direction even playing music at high volume.

3

Bose Voice4Video™

Control your TV, cable box, or satellite box using the built-in Alexa voice assistant which must be available in your region and set as the active voice assistant.

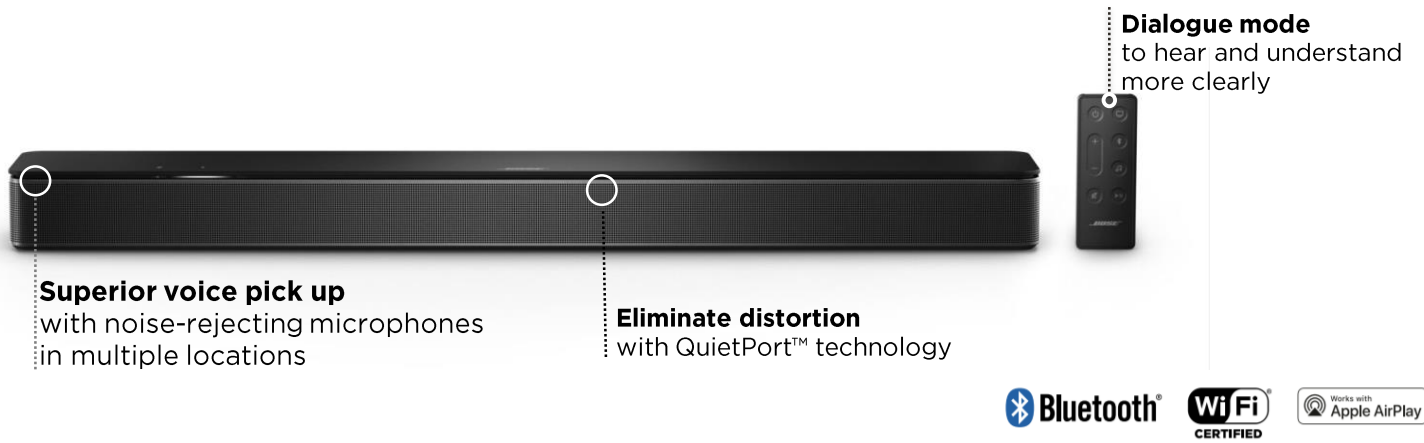

*where available — virtual assistants and music services are not available in all regions.

Core Message

Made for every day – and everyone.

The Bose Smart Soundbar 300 delivers spacious sound, clear dialogue, and rich bass for your music, movies, and games. With built-in voice assistants and exclusive Bose Voice4Video™ technology, it's fast, simple, and easy enough for everyone to enjoy.

Competitive Advantage

Features & Benefits

Wireless streaming	Play anything from your phone or tablet with Wi-Fi®, <i>Bluetooth</i> ®, and Apple AirPlay 2, compatibility.
Optional add-on bass module and surround speakers	Add the optional Bose Bass Module 500 or 700, and Bose Surround Speakers to feel the impact of thunderous bass and full-on surround sound.
Multi-room audio	Part of a new Bose family of smart speakers and soundbars designed to be compatible with each other so you can enjoy more music in more rooms.
Dolby Digital® decoding	Enhances the Bose Smart Soundbar 300's audio capabilities to create a richer, more satisfying listening experience with remarkable realism
Sleek design	Low profile so it sits easily below the TV or mount it to the wall with the optional accessory wall bracket (sold separately).
HDMI™ ARC	Audio return channel uses a single HDMI connection to send audio from a TV to the soundbar.
SimpleSync™	Provides the ability to group your Noise Cancelling Headphones 700 to the family of Bose Smart Soundbars for a private listening experience or group a SoundLink <i>Bluetooth</i> ® speaker with a smart speaker or soundbar to play them in perfect sync.
Simple set-up	One simple connection to your TV via included optical cable or optional HDMI.
Bose Music app	Free app guides you through setup and provides access to music services and more.
