ABOUT US

CCC is a leading education consulting firm having 13 years of experience. We are dedicated to empowering students in their academic pursuits with online and offline counselling at 15 operating branches in India and world wide. You can rest assure that your future is in good hands.

OUR MISSION

Our team is committed to guide and support students in achieving their academic and professional aspirations through international education. Our mission is to provide a clear path to success for students so that they get the opportunity to study in the best institutions while ensuring that partner universities receive high-quality students.

HOW CAN WE HELP YOU?

We specialise in assisting students who aspire to study overseas, by providing them with university, admission and visa process information. This ensures that student's pathway to their dream university is seamless.

Additionally, our commitment to excellence extends beyond just admission services, as we offer top notch pre-departure and post-arrival support to ensure a smooth transition for our students.

FOR OUR STUDENTS

We go the extra mile for our students by:

- Organizing seminars and webinars
- Pre and Post landing facilities
- Spot assessment with university representative

Our expert team of counsellors are here to guide you every step of the way, from the moment of registration to your arrival at your final study destination. Our services also include:

- Career Counselling
- Guidance for wide range of University & Course Selection
- Standardized Tests Preparation
- Assistance for Application & Admission
- A real-time student portal
- Personalized interview preparation
- Assistance for Visa Application
- Auxiliary Support
- Pre-Departure & Post Departure Guidance

WHY CHOOSE US?

With the confidence of 13 years of experience, our track record of over 25,000+ successful student visas and 99% visa success ratio in international markets is unmatched. With our extensive network of national and international connections, we have proven our abilities to bring value to our students.

At our core, our mission is to be the leading head in providing comprehensive study abroad solutions, and to help students achieve their goals with expert career counseling and guidance.

We strive to add value to all and ensure that every student has access to the opportunities they deserve.
