MAYA APPLIANCES
Quality Guaranteed since 1978

For the joy of cooking

Quality guaranteed since 1978 - these words underline the legacy of Maya Appliances, a company that has captured the imagination of homemakers in more than 10 million kitchens worldwide for over 4 decades. With unmatched quality and state-of-the art innovations, trust and support of Dealers and Distributors, Maya Appliances has created history celebrated by awards and accolades.

We at Vidiem, the flagship brand of Maya Appliances, ensure that every product that rolls off our production lines is safe, reliable, efficient & ergonomic. Our mission remains single-minded: to improve the family's quality of life through the superior quality and efficiency of our Home Appliances.

For the joy of cooking

ARIA Cool Tec Motor

- Fully enclosed Integrated Dielectric Motor Casing
- **Safe & Shock proof**
- **No water ingress**
- Robust construction
- High efficiency - **10% less Current consumption**

WATTAGE

1000 **750** **650**

More Cooling with Air Pump System
Doubles Motor life

40% **40%** **40%**

More Torque with Large diameter Rotor
Can handle heavy loads

50% **20%** **20%**

More Power

- Fast and efficient grinding
- Lower power consumption

50% **20%** **20%**

Small high-throw Fan saves power & transmits more power for grinding

2 YEAR PRODUCT WARRANTY

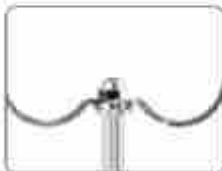

Self locking Jars

- Secure locking on operation
- Ensures proper mating of Couplers & seating of Jar

Dynamically Balanced Blades

- Prevents wear & tear of Bush
- Vortex flow, Hardened, Ribbed, Stainless Steel Blades for tough grinding

Sturdy Handles

- Ergonomic, firm grip ABS Handles

Tri-Mate Couplers

- Self-aligning
- Secure mating
- High strength

Easy Use & Clean Jars

- Wide Mouth Jars convenient for handling ingredients & cleaning

GRINDING CAPACITY FOR ALL STAINLESS STEEL JARS

Maximum Level - 3/4 of the Jar

Minimum Level - Above the Blade Level

Note:

Always Pulse 5 to 7 times while dry or wet grinding & then run on Speed 1, 2, or 3 as required.

No Grinding Operation will take more than 3 minutes.

If the above instructions are followed the ingredients will not get heated up.

CAUTION:

01. Never overload the Mixer.
02. This Appliance is designed for Domestic use only.
