HIGH QUALITY PENCIL POUCHES

Rusabh Bags established in 1996, Mumbai by Mr. Pravin. J. Gada. We are one of the Pioneers Mfg & Traders of the bags and pouches in India. We have always been known for the Quality and the choices we made available to our customers over years. We have always focused on not letting down to any customers when it comes to giving them sample of designs to choose from.

Rusabh Bag launched its own bag brand called **Twinkle Pouches & Bags** in 2006 which remarkably helped us to earn identity in the market as **Twinkle**. In **Twinkle** we made sure that each bag & Pouches is designed carefully by considering the needs of every single customer. These bags & Pouches are beautifully Handcrafted at our manufacturing units. From the launch of the **Twinkle** we have been consistently working on giving a quality product to customers at very affordable prices. In **Twinkle** we understand the needs of the customers and that's why we have a huge range of pouches available that can satisfy all various needs of the customer right from stationery pouches, money pouches, & utility pouches. Exclusive design classic textures and the range of colour are our usp. The stationery pouches are perfect carrier pouch for students in Schools & Colleges.

In **Twinkle** we always keep in mind that every customer should get the pouch of his choice with premium quality that too in their budget..

Over 22 years our market strategy has remain the same to provide world class quality products which are completely made in India at very affordable prices and that is the USP of our business.

We are also bound to provide quality products which is absolute value per customer's money. "We promise to deliver you the best products in the world of Pouches".
