Sunali Goenka

Principal Designer & Founder

Sunali spent her early years with Bobby Mukherjee & KNS Associates. It was here she developed keen design aesthetic & build invaluable vendor relationship. Sunali's design vision is limitless and unconstrained by genre. She has created breath-taking interiors that range in scale and style, from traditional country residences to contemporary urban homes, offices, hospitality, airport lounges & retail spaces. She has transformed to one of the most respected, creative and original luxury interior designer over the last two decades. An established Entrepreneur, Sunali Co- Founded "WECREATE" design & built studio and also serves as the CEO. WECREATE is Mumbai-based luxury interior design studio, recognized for innovative designs, exquisite themes and industry-first plug-and-play model. Overseeing her team, Sunali's personal approach ensures every detail of every project and product is exquisitely realized and impeccably finished. This is at the heart of the WECREATE's ethos: dedication to clients; meticulous attention to detail and creation of beautiful, unique spaces. She is a trained Ikebana Artist. When not designing, Sunali is busy curating floral arrangements, travelling, reading or treasure hunting & playing with her son.

Dinesh Rathi

Co-Founder & Chairman

Dinesh Rathi is a serial entrepreneur with multiple successful ventures under his belt. Dinesh serves as Managing Director at Universal Fintech & Universal Agencies. It is his vision, passion, zeal and indefatigable energy which have been instrumental in forming WECREATE. He is also Chairman of the board of WECREATE. Dinesh values the relationships he builds with his clients which has helped him create strong longterm clientele.

Rahil Khamesra

Co-Founder & CFO

An MBA & M.Com from Mumbai, he comes with 17 years of experience in Corporate Finance, Project Finance and Debt Syndication. As CFO, Rahil ensures WECREATE continues to be a well-respected, financially sound and ethical company. Both clients and suppliers appreciate Rahil's easy going manner, professionalism and accommodating approach.

Saurav Goenka

Co-Founder & COO

Saurav has vast experience in managing businesses across verticals like Real Estate Marketing, Cosmetics Distribution and Fintech. Saurav is one of the Co-Founder of WECREATE and as a COO he is tasked with managing all facets of the business, with a strong focus on launching and operationalizing strategic growth initiatives, maximizing financial profitability, and achieving operational excellence

MANAGEMENT TEAM

In-house team of experienced Interior Designers, 3D Artists and Architects.

Deepti Soni

Founding Director

An exceptionally talented, creative and passionate stylist, Deepti is the founding Director of WECREATE and a trusted advisor to the CEO. She is responsible for all things design and helps the team stay abreast with the latest trends in design and fashion. She brings vibrant energy to our design team and is looked up by everyone as an exceptional mentor.

Jyoti Kasat

Founding Director

Jyoti's passion for design started early with her love for arts and travel. Inspired by her natural talent and eye for design, Jyoti attended the St Francis Institute after obtaining her Bachelor's Degree from Mithibai College. Jyoti leads the design team at WECREATE and helps develop creative concepts that continually exceed client's expectations, which have greatly contributed to the thriving success of WECREATE.

9+ Trunkey Construction Team

Our Services

INTERIOR DESIGN - PROJECT

The design project is not only the visualization of your ideas, future appearance of a space, but also a detailed selection and calculation of the required finishing materials, furniture and schemes according to which construction work will be carried out. Clients are provided with multiple layout options to choose from. 3D panorama of the space, detailed working documentation and specification with all item numbers and applications.

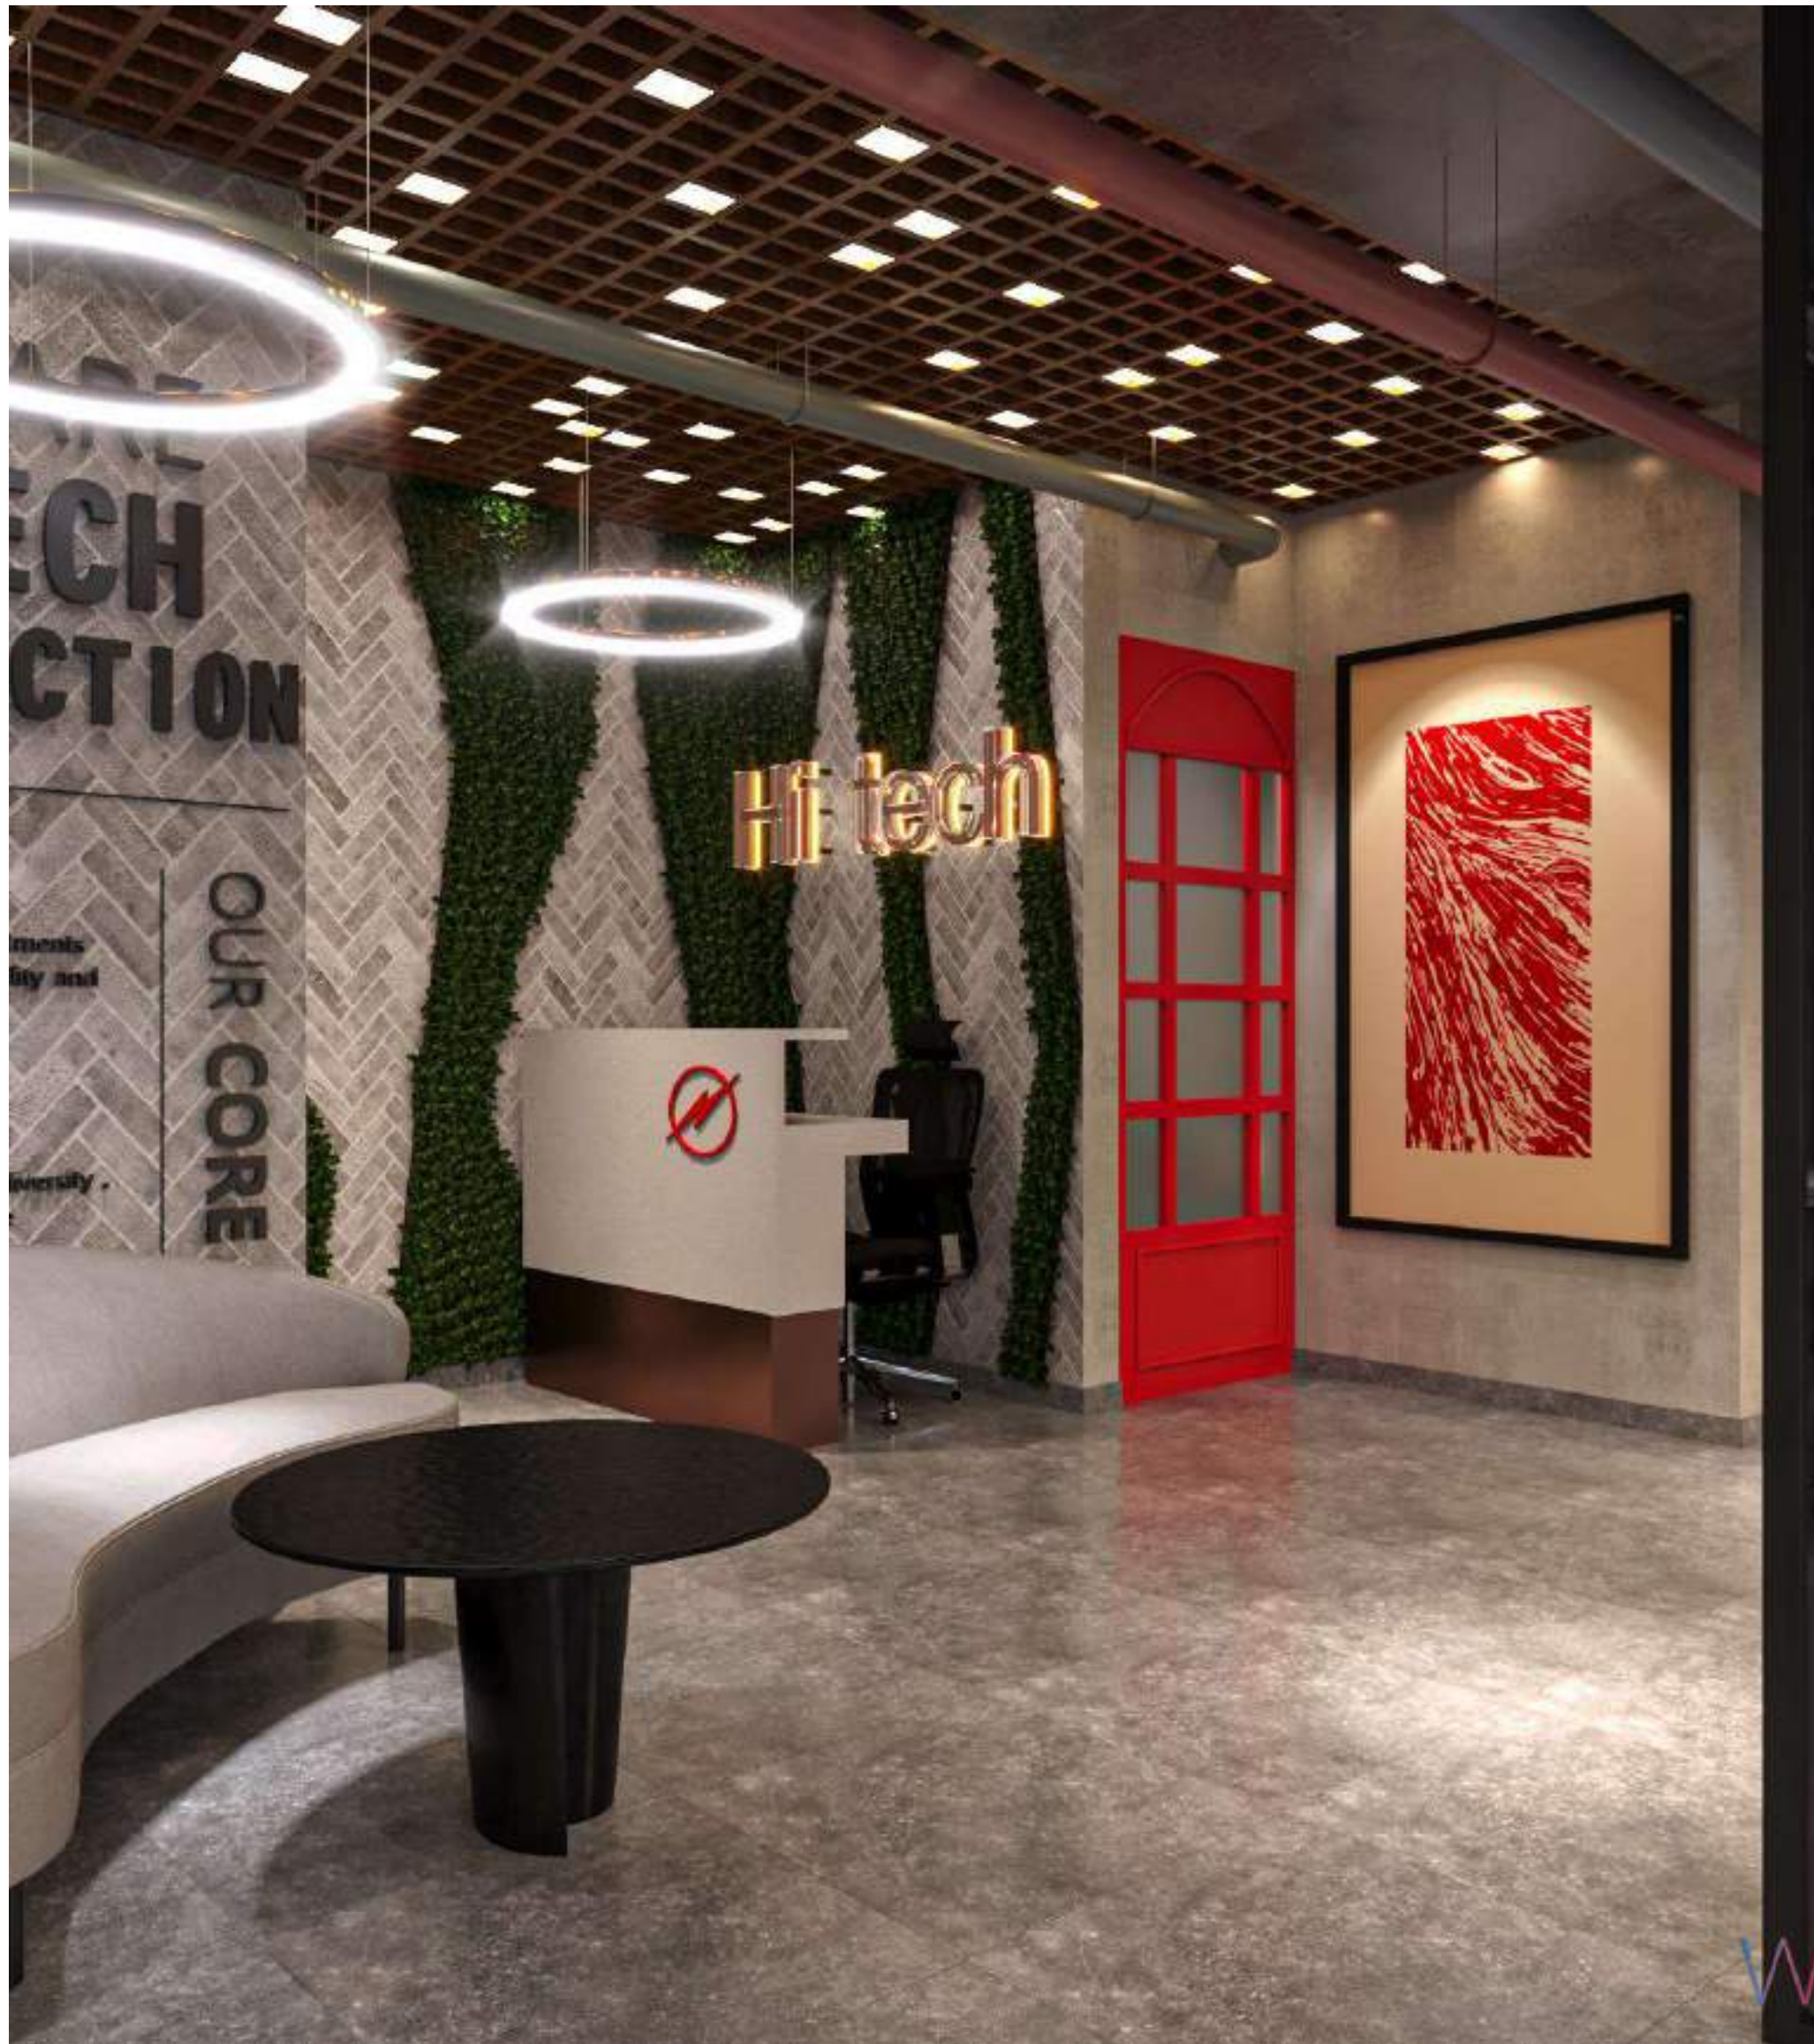

Our Services

GENERAL CONTRACTING

General contracting is carried out only on projects that we developed ourselves - we lead them from idea to implementation. So that the impression of the realized interior and its visualization does not diverge, during the execution of the general contract we involve a team of our specialists and attract all the necessary contractors.

We have a pool of established professionals in the field of construction and repair work. You just have only to enjoy the implemented project.

Our Services

FURNITURE/PRODUCT DESIGN

We Create has its focus on luxury. Our mission is to create accessible, aesthetic furniture and products that reflects creativity, functionality, luxury, sustainability.

Our practice is driven by research and development and engages itself with diverse materials, techniques and intelligently added quirks to create the most effective, functional and clean products and spaces.
