

R.K. MEDICAL AGENCIES

GIVING YOUR HEALTH A NEW LIFT...

WELCOME TO R.K. MEDICAL AGENCIES:

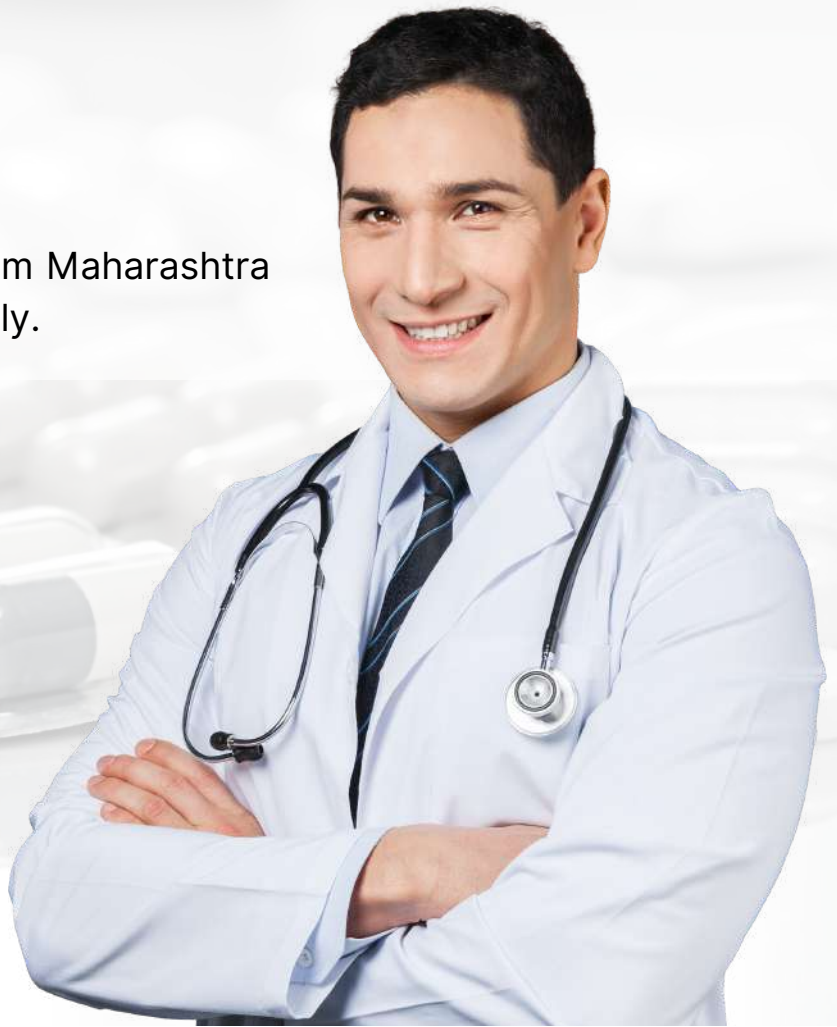

Several medications on the market are noticeably more expensive even if they have the same therapeutic value as their generic versions. Given the tremendous need that permeates the whole country, if high-quality, reasonably priced medications were made available on the market, everyone would benefit.

To achieve this, R.K. Medical Agencies have established a name as exporters and distributors of generic drugs for public availability. R.K. Medical Agencies was conceived to provide fast service and the best pharmaceuticals at economical pricing. We have a full-fledged 2500 sq ft office and warehouse in Goregoan.

R.K. Medical Agencies have built a sizable clientele by offering quick delivery to hospitals, corporations, and consumers while lowering healthcare expenditures for every Indian citizen. They are registered with Central Railways. They have also collaborated with a number of NGOs, including the-

- **Indiabulls**
- **Piramal Swasthya Institute**
- **HelpAge**
- **Wockhardt Foundation**

They also supply medications from Maharashtra to more than 300+ parties annually.
