

KATARIYA STEEL DISTRIBUTORS

ONE STOP SOLUTION FOR PIPE FITTING & FLANGE

Introduction

KATARIYA STEEL DISTRIBUTORS

The Company

we, 'Katariya Steel Distributors, Mumbai', have gained specialization in manufacturing and exporting a wide range of Pipes Fittings and Flanges. We manufacture these products as per national & international standards such as BS, ASTM, DIN, IS, ANSI and ASME. Due to these attributes, our products are widely regarded in chemical, petrochemical, refineries, paper, breweries, cement, construction, engineering and many other industries. Furthermore, we hold expertise in providing these products in varied specifications to suit the specific demands of customers.

We have been successful in developing healthy business connections with the vendors so as to fulfill the exceeding requirements of customers. Furthermore, we have constructed a bulk storage unit, which allows us in accommodating the products in abundance. This unit aids us in storing the products in an organized and systematic manner. Owing to the endeavors made by our experts and logistics unit, we are able to provide the products on-time at the customers' doorstep. We have mustered a long list of clients such as Tecnimont ICB Limited, Larsen & Toubro Limited and Bharat Heavy Electrical Ltd. in both domestic as well as in international clients. Some of the countries where our products are exported are Indian Subcontinent, East Asia, Middle East, African Continent and Europe.

Under the visionary guidance of our mentor, 'Mr. Mitesh', we have made a trustworthy stature in this industry. His rich domain expertise and managerial skills have aided us in obtaining a tremendous growth in short period of time.

Vision: To be the most trusted Manufacturer of Flanges.

Mission: Customer Satisfaction.
