

## About Us

Duronto Logistics deals with the Parcel Booking and delivery service to our esteemed customers. Our approach focuses on how we deliver operational excellence to provide viable, cost-effective technology-enabled solutions to the most challenging logistics & supply chain management questions. We reciprocate through our work entirely with a progressive mindset. "We carry both your trust and goods". With the proper people, modern processes, and advanced technologies, we create an innovative and dynamic transportation solution that drives unrivalled value for your organisation.

Having an eminent experience of 25+ years in the market, we cater to all the needs of our clients. In India's logistics and supply chain market, our organisation has firmly established itself as a trustworthy option. We have been proving ourselves every day in best quality, cost effectiveness, client satisfaction, and deadline assurance, drawing inspiration from our work and the standard we set.

## OUR PURPOSE

Stay attentive to customer needs, provide new and adaptable solutions, and aim for customer satisfaction through our performance, honesty, and integrity. We want to earn the trust of our valued customers and build a long-term connection with them.

## OUR GOALS

To ensure a proper transportation and logistics service by offering our clients world-class and creative moving solutions. We want to be our customers' first choice when they need a dependable, inexpensive, and competent carrier. Our main vision is to provide a hustle free experience for our customers who want to send across goods and materials.

Hiring a truck is now extremely easy, through our hassle-free booking system.

### ADVANCE BOOKING

Customers can also book in advance if they wish to.

### LIVE TRACKING

Get real time updates of your goods with our simplified technology.

## What do we do

We have a competent, skilled, devoted and professional workforce that can provide end-to-end cargo handling solutions and meet the logistics demands of any consumer in the supply chain. Our main work is to help transport parcels from one place to another according to customer needs. All time-sensitive project cargo, urgent dispatches, and other items are routinely handled with excitement and skill.

## WAREHOUSE SERVICE

We provide our clients with a warehouse service as well where they can keep their material for days with a minimal cost. This service just resonates with the clock room service and provides room for our customers to keep their items safe until the time for delivering them is decided.

Why us?

### 1. SAFETY AND SECURITY

We ensure that all goods should be transported with utmost security and should be handled with care

### 2. ON TIME DELIVERY

Our main goal is to deliver goods on time, every time. We are accountable for any delay in the work and make sure that all work is done in a given deadline

### 3. SERVICE ACCORDING TO CUSTOMER NEEDS

Our customers can choose whatever service they require according to their need. Be it a speed delivery or no-rush delivery, we provide our customers with exactly what they want.

### 4. EASY PAYMENT PORTALS

Even the payment procedure is highly simplified. We accept payment from multiple gateways like UPI, cash, internet banking etc making the entire process less cumbersome for the client.

### 5. CUSTOMER PORTAL

We provide Customer Portal where customers can track their consignments and billing details.

### OUR DEDICATION

We are a committed group of professionals who are dedicated to providing value to you. We will deliver what we have promised. We don't make promises we can't keep, and we don't keep secrets from you. You will receive the delivery if we make a commitment—there will be no exceptions.
