Knack Flexipack LLP

" With honesty, integrity and strong will power  
Extraordinary outcomes is what life always showers  
The seed of change that were sown decades ago  
Many milestones achieved, few still to go  
Once a sapling, is now a giant mango tree  
With the fruits of accomplishments and prosperity  
As we are heading towards the future  
Writing new chapters  
Engulfed in love and trustworthiness  
We are brightening up lives with utmost earnestness "

# HISTORY

After venturing into the quarry, construction and packaging business, we found a space where utilizing our years of packaging industry experience we had a possibility to do something impactful for the brands via the packaging material and that's how Knack Flexipack came into existence. The idea was clear and sharp, position ourselves as a pioneer in the flexible packaging industry with high quality material, relationship based approach and unique solutions delivered using latest machinery and international manufacturing standards.

# The KNACK SAGA

There are zillion stories in the world but only the exceptional ones stay etched in our hearts like the saga of Knack Flexipack LLP. What started as small beginnings years before is now a leading name celebrated across the globe. Although, we have come a long way but our zeal, passion and aspirations to go beyond the horizon are as intact. The Knack family is growing day-by-day with team members from diverse backgrounds who have stood with us in our thick and thin. For us, there's no growth without being together. Enriched with this strength and drive to excel in every aspect has helped Knack Flexipack LLP to become one of the leading manufacturers and exporters of flexible packaging materials i.e. pouches and roll films.

# TESTIMONIALS

We started business with Knack Flexipack LLP in the year 2017 and since then they are the only supplier we have for all our product packaging requirements. The high quality printing & durability they provide is unmatched. We are glad to have associated with them and recommend their name to others as well.

Steve - Spain

We are a regular customer of the company. Their pouches are strong and durable with consistent print quality. Also, they have never failed on the delivery schedule. Best wishes to the team.

Arijit Ghosh – India

Their products are high quality packaging materials. One of the key aspect is the print quality they offer and when clubbed with their in-house design team it even gets better. Thanks to the entire team of Knack Flexipack LLP for delivering our products on time every time.

Mohammad - Kuwait
