

Plant a tree, plant a life.

People who will not sustain trees will soon live in a world
that will not sustain people

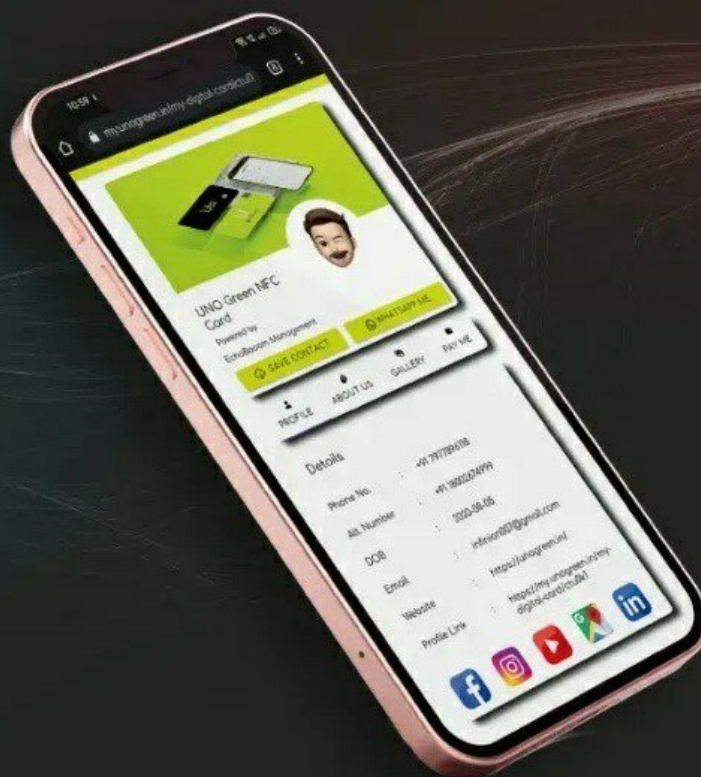

The Stylish
METAL CARD

SINGLE CARD
for lifetime networking.

Share exactly **whatever**
you want to.

“What makes
me most **happy**
is connecting
with others.”

Customer Reviews

Amazing product! Would have never thought sustainability could have been so stylish and affordable. Would highly recommend it to everybody.

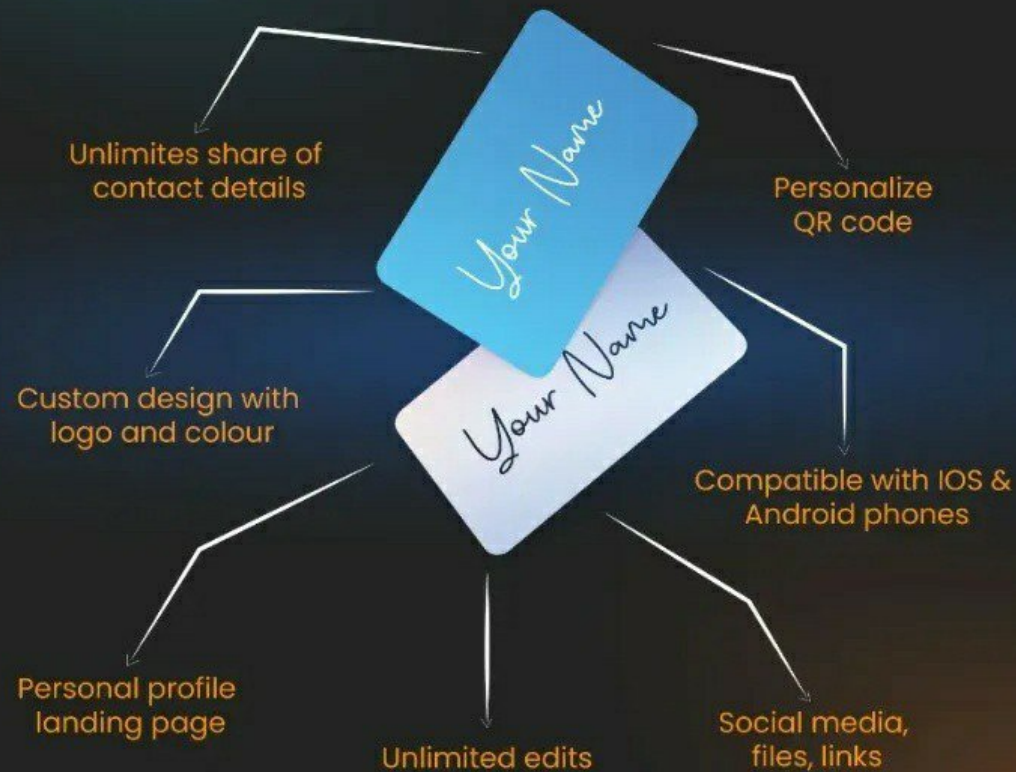

Uno green cards is an amazing product. It is both cost effective and also saves paper. Making it easier .

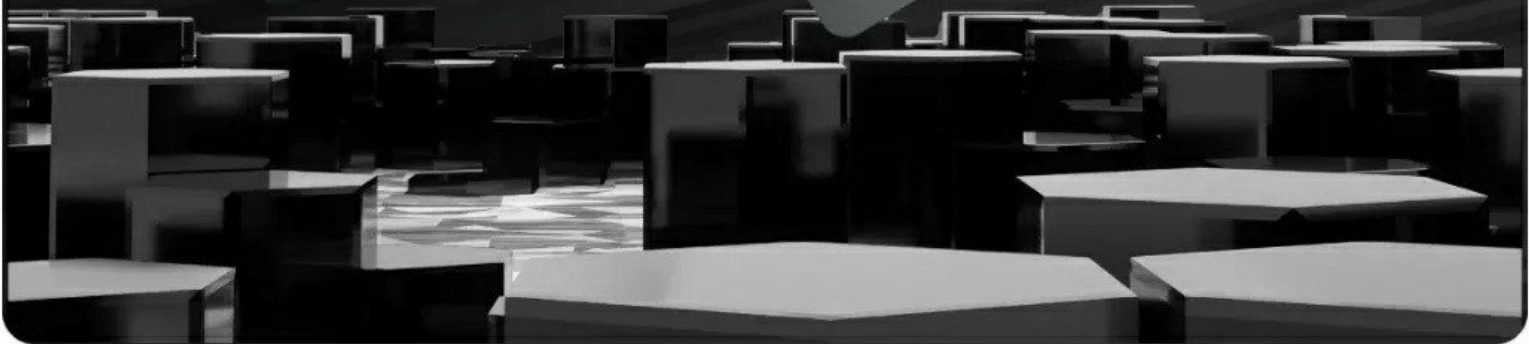

UNO green is a very good digital card(visiting card). I like the NCF technology on that card . And looks very professional . Just loved it.

All in one smart Business card
