### Intro

Fidvi Steel Group was established in the year 1985. Started as the manufacturers of 'Sheet Metals Works'; quickly moved into the development and production of Rackinging Solutions. We at Fidvi steel are now have grown from 100 sq-ft (1985) to more than 35,000 sq-ft (2017) state-of-the-art manufacturing capabilities and technical expertise. We grew along with the business who needed racking. Hence giving us in depth knowledge of the various industries that exists in the Indian eco system. *Our Forte Is Customisation As per customers Need.*
