We, **SHREEJI PHARMA INTERNATIONAL**, established in 2004, are proud to introduce ourselves as one of the leading Merchants, Exporters and GLOBAL SOURCING COMPANY in India in the field of Active Pharma Ingredients, Chemicals, Pharmaceuticals Raw Materials, Herbals, Phytochemicals & Intermediates. We thus, mainly focus on the exports of the APIs with high levels of integrity, respect & recognition.

The future of every business entity depends on three major factors viz. trust, quality and credibility. Fueled with these basic factors, we, **SHREEJI PHARMA INTERNATIONAL**, have earned global recognition in a very limited span of time. Working with the sole motto of serving global clients with premium quality of bulk drug raw materials, this notable player has acquired a major stake in its discipline. The company is a prominent merchant exporter of Active Pharmaceutical Ingredients .

### Our Strengths

- Wide selection of world class pharmaceutical bulk drugs offered under one roof.
- A transparent working system for fair business dealings.
- Vigorous supply-chain management for efficient collection and delivery of products.
- Impeccable quality, utmost customer satisfaction and excellence--our hallmark.
- No compromises on quality as it represents the image of our company.
- We have a long association with the pharma industry & can offer you excellent service.

### In Time Delivery

With years of experience, we are strictly committed to offer our clients in time delivery. We have studied and worked out the actual time taken to deliver at various ports and airports of the world. Our team commits to deliver the product based on that time frame.

### Transit Status At Fingertips

We keep a complete track record of the goods that are exported and inform our clients about the transit status on daily basis.

### Spot Response With Typical COA

Our team responds to each and every queries of our client's mail within a short time frame along with copy of Typical Certificate of Analysis. We also send a copy of specimen documents such as M.S.D.S, Non Hazardous etc. if demanded by the customer.

### Samples At Free Cost

We send free sample pieces to our clients for their approval. In case of highly priced products, the sample is sent to the customers if they ask for.

### Certification

Since our inception, we hold Wholesale Drugs Licence from FDA, Gujarat State, India. We are also registered Merchant Exporter with Pharmexcil (**Pharmaceutical Export Promotion Council**) Bombay, India. Besides this we are a proud member of Indian Merchant chambers.

**We are holding ISO 9001-2008 Certificate since year 2010 and D&B D-U-N-S Number 91-534-9913.**

## Active Pharma Ingredients ( With GMP & DMF )

Acebrophylline	Febantel	Pantoprazole Sodium
Aceclofenac	Fenbendazole	Paroxetine Hcl
Acefylline	Ferric Ammonium Citrate	Pentoxifylline
Acenocoumarol	Ferric Glycerophosphate	Pheniramine Maleate
Acriflavine Hcl	Ferrous Fumarate	Phenylbutazone
Albuterol Sulphate	Ferrous Gluconate	Phenylephrine Hcl
Alendronate Sodium	Fexofenadine Hcl	Phenytoin Base & Sodium
Ambroxol Hcl	Fluconazole	Pioglitazone Hcl
Amiloride Hcl	Fluorescein Sodium	Piperazine & It's Salts
Amitriptyline Hcl	Frusemide	Piroxicam
Amlodipine Besylate	Gabapentin	Potassium Glycerophosphate
Atenolol	Glibenclamide	Potassium Iodide
Atorvastatin Calcium	Gliclazide	Povidone Iodine
Benzydamine Hcl	Glimepiride	Probenecid
Betahistine Hcl	Guaifenesin	Propranolol Hcl
Biperiden Hcl	Haloperidol Base & Decanoate	Propyl Paraben
Bisacodyl	Hydroxyzine Hcl	Pyrazinamide
Bromhexine Hcl	Imipramine Hcl	Quinine Sulphate
Calcium Dobesilate	Iodochlorohydroxyquinoline	Rabeprazole Sodium
Calcium Glycerophosphate	Iodoform	Ractopamine Hcl
Calcium Hypophosphite	Isoxsuprine Hcl	Rafoxanide
Calcium Levulinate	Itraconazole	Ranitidine Hcl
Calcium Pyruvate	Ketoconazole	Rosuvastatin Calcium
Carbamazepine	Ketorolac Tromethamine	Salbutamol Sulphate
Celecoxib	Lamotrigene	Sertaconazole Nitrate
Cetirizine Di Hcl	Lansoprazole	Sildenafil Citrate
Cetrimide	Levalbuterol Hcl/sulphate	Silver Sulphadiazine
Cetyl Pyridinium Chloride	Levocetirizine Hcl	Simvastatin
Chloramphenicol Palmitate	Lidocaine Base & Hcl	Sodium Cromoglycate
Chlorhexidine & It's Salts	Loperamide Hcl	Sodium Glycerophosphate
Chlorpheniramine Maleate	Loratadine	Sodium Stearyl Fumarate
Choline Magnesium Trisalicylate	Losartan Potassium	Sodium Valproate
Cinnarazine	Magnesium Glycerophosphate	Tadalafil
Citalopram Hydrobromide	Magnesium Valproate	Terbinafine Hcl
Clioquinol	Manganese Glycerophosphate	Terbutaline Sulfate
Clomiphene Citrate	Mebeverine Hcl	Terconazole
Clopidogrel Bisulphate	Meclizine Hcl	Theophylline
Clorsulon	Mefenamic Acid	Tinidazole
Closantel Base & Sodium	Meloxicam	Tizanidine Hcl
Cyproheptadine Hcl	Merbromin (mercurochrome)	Tolnaftate
Dapoxetine Hcl	Metformin Hcl	Tramadol Hcl
Desloratadine	Methylene Blue	Triclabendazole
Dextromethorphan Hbr	Metoclopramide Hcl	Triclosan
Diminazene Diacetate	Miconazole Nitrate	Trimetazidine Di Hcl
Diphenhydramine Hcl	Minoxidil	Valproic Acid
Disulfiram	Moxifloxacin Hcl	Valsartan
Docusate Sodium	Nalidixic Acid	Vardenafil Hcl Trihydrate
Domperidone Base & Maleate	Nifedipine	Venlafaxine Hcl
Doxylamine Succinate	Nimesulide	Vinblastine Sulfate
Drotaverine Hcl	Olanzapine	Vincristine Sulfate
Esomeprazole Magnesium	Omeprazole Base & Sodium	Voriconazole
Famotidine	Ondansetron Hcl	Warfarin Sodium
