About The Concept

Pizza, Beverages & Sides

- USP – International and Regional taste profiles.

Pizza Sauces with ZERO preservatives

- Dough is formulated with our secret recipe to get best results in its stability and rise with perfect wall structure and strength. Achieved this through usage of various high-grade ingredients.

Why Choose Pizza?

Everyone **LOVES** Pizza

- The Pizza market in INDIA is pegged at nearly \$2 billion, according to information available in any public domain.
- Growing at a rapid pace of 26%
- It fits into All the Meals of the DAY especially with aspirational younger target audience.
- Product is HIT because of it's Value For Money.
- Product can be highly CUSTOMISED
- Goes very well with Indian eating habits "Eat Fresh .. Eat Hot"
- Sauces can be localized and to the regional taste

Pizza Is Our Passion..

- Core team has an experience of over 2 decades each, in the business of pizza making, selling quick service restaurant products, customer engagement, cost management, running low-cost supply chain and brand experience.
- Served millions of customers which has given us an insight into their mindset and purchase trends.
- We have developed a winning formula for our unique pizza sauce with ZERO PRESERVATIVE at room temperature.
- Developed international looking packaging to satisfy young & aspirational target audience.
