WHO WE ARE

Our journey began in 1967, and since then, we have thrived for over five decades in the diesel engine overhauling sector. This enduring path is a tribute to our forward-thinking founder, Shri Dulichand Ji Baid.

Advancing steadily over the years, we've transformed from a modest, one-person enterprise into a devoted team of professionals, establishing a special place in our customers' hearts. The driving force behind our success is our unwavering commitment to prioritizing our customers.

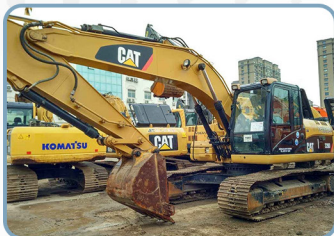

Our expertise lies in the sales and export of heavy-duty engine spare parts for renowned global brands, with authorized dealership for Kirloskar. The range of spare parts we offer is tailored for specific diesel engine applications, including KIRLOSKAR, GREAVES, CUMMINS, CATERPILLAR, KOMATSU, VOLVO, ISUZU, KUBOTA, YANMAR, MITSUBISHI, DEUTZ, and others.

For over 50 years, Dulichand and Co. has been dedicated to the engine components spare parts industry in India. We have established distinct supply channels and exclusive contracts with top-tier manufacturers in India, who are pioneers in their respective product lines.

With an inventory of over 5000 line items, we ensure quick lead times for our customers. Additionally, we possess the capability to create and customize products according to your specific requirements, based on your samples or technical drawings. Our approach is flexible, with a swift response, efficient logistics, and enhanced after-sales services, all aimed at simplifying and expediting your purchasing process

REASONS FOR CHOOSING US:

- Specialized Knowledge in the Engine Parts Sector.
- Over 50 Years of Expertise in this Industry.
- Thorough Pre-Shipping Inspection and Quality Assurance.
- Customized Packaging to Suit Your Specific Requirements.
- Identification of OEMs and Reliable Vendors for Each Product.
- Efficient Coordination of Products from Diverse Supply Channels.
- Integrity and Professionalism at the Core of Our Services.
- Skillful Negotiation for Optimal Supply Pricing.
