

KNACK ENERGY PVT. LTD.

Empowering the future...

**One of the leading
manufacturers and exporters of
Solar PV Encapsulants**

KNACK ENERGY PVT. LTD.
Empowering the future...

Knack Energy

There are zillion stories in the world but only the exceptional ones stay etched in our hearts like the saga of Knack Group. What started as small beginnings years before is now a leading name celebrated across the globe. Although, we have come a long way but our zeal, passion and aspirations to go beyond the horizon are as intact. The Knack family is now a team of 1000+ members from diverse backgrounds who have stood with us in our thick and thin. For us, there's no growth without being together. Enriched with this strength and drive to excel in every aspect has helped Knack Group.

We provide Solar PV Encapsulant solution to module manufactures. Our PV Encapsulant range provide excellent bond with glass and Backsheet, high transparency gives less CTM loss and high power generation. Our Encapsulant ensure long life of solar module. We are playing an important role to make our world cleaner by reducing carbon foot print in green energy generation from abundance sunlight.

KNACK ENERGY PVT. LTD.
Empowering the future...

Knack PV Encapsulant

KNACK UVT PFC

- Fast Cure, Cycle time 13 - 15 minutes
- PID and Snail trail resistance
- UV Transparent, allows more rays to reach solar cell and gives more power
- Weather and UV stable, proven for 25 years module life
- Suitable for all type PV modules

KNACK 360 PFC

- Fast Cure, Cycle time 13 - 15 minute
- PID and Snail trail resistance
- UV cut-off 360nm
- Weather and UV stable, proven for 25 years' module life
- Suitable for all type PV modules

KNACK UVT PUC

- Ultra Cure, Cycle time 9-12 minute
- PID and Snail trail resistance
- UV Transparent, allows more rays to reach solar cell and gives more power
- Weather and UV stable, proven for 25 years' module life
- Suitable for all type PV modules

KNACK 360 PUC

- Ultra Cure, Cycle time 9 - 12 minute
- PID and Snail trail resistance
- UV cut-off 360nm
- Weather and UV stable, proven for 25 years' module life
- Suitable for all type PV modules

KNACK ENERGY PVT. LTD.
Empowering the future...

Key Features

01

High Transparency: More power generation

02

Low thermal Shrinkage: Intact cell alignment

03

Robust Peel Strength: Enhance module life

04

Easy Lamination: High productivity, less power consumption

05

Orange peel embossing: Hassle free sheet cutting and layup
