{ Threads of Love }

A beautiful tale of intimacy and affection expressed through  
mystic hues and vibrant threads

**FALL WINTER COLLECTION**

"Wings of hope carry us,  
soaring high above the driving winds of life,  
Clouds come floating into my life,  
No longer to carry rain or usher a storm,  
But to add colour to my sunset sky."

- Tagore

What makes every wedding a memorable one is the smaller moments in between the big ones. The little pockets of intimacy, the quiet moments between the groom and the ones he holds closest to his heart. A hundred little memories like these, woven intricately form a story that he will treasure forever.

Fronn brings this very sentiment to life in the Sherwanis of **Mryuar - E - Kohabbus** | threads of love | a beautiful tale of treasuring modern illusions and indigenous artisms letting offbeat, valdard tunes do the talking since the beginning whose palettes have been loved by grooms all over the world.

This collection celebrates the intimacy that blooms amid the sound and hues of Indian weddings. Especially the way the groom's talks - the brotherhood he has nurtured over the years, gathers around him to make him laugh, dance and to be by his side on yet another beautiful adventure.

The fluid tailoring and the magical silhouettes bring about a beautiful balance of contemporary glamour, traditional opulence and an indelible sensual appeal in this dreamy Ek Jeer and Ejab ensemble from the threads of love by our xp-skilled artisans. Hues of red berries, vibrant pinks and cocoa brown are lush and enchanting which give the modern groom ample choices to pick from and create a vibe that's simply mesmerising.

As you wander in this beautiful tale of Fronn's closet since there is so much beauty in every stitch, you'll never tire of re-rolling in it.
