

FRESHNESS
All Kinds Of Food...

Steele Containers LLP is one of the leading manufacturers of water bottles, food containers and other household products in India. Our name, STEELO, is derived from our initial product concept of Steel caps and PET containers. Over the years, we have expanded to include a range of PET, PP and Tritan™ products in our offerings.

In the 14 years since our inception, STEELO has become a household name in India, with our products being available in a wide range of retail shops, supermarkets, hypermarkets and ecommerce platforms such as Reliance Retail, D-Mart, Metro, Big Bazaar, Amazon, Flipkart, and so on. Our products are designed to fulfil customers' needs while being unique and aesthetically pleasing. All our products are made from materials that are BPA-Free, 100% food grade and USFDA certified.

Having worked in the PET industry for the past 35 years, our founder is an experienced individual with the vision to make STEELO a global household name through continuous innovation.

Company strategy:

Purpose : To be a leader in the PET industry by providing enhanced services, relationship & profitability.

Vision : To provide quality services that exceeds the expectations of our esteemed customers.

Mission statement : To build long term relationships with our customers & clients & provide exceptional customer services by pursuing business through innovation & advanced technology.

Goals : To build good reputation in the field of PET industry & become a key player in the industry.

Core values

- We believe in treating our customers with respect & faith
- We grow through creativity, invention & innovation.
- We integrate honesty, integrity & business ethics into all aspects of our business functioning

Scope of work :

At Steele we are mainly catering in distribution network & supplying to various companies in different segments like FMCG, Pharmaceuticals, Distilleries & Electronic companies for their consumer promotion scheme.
