WHO WE ARE:

Extra Cold Storage Pvt. Ltd. is a First Generation Business established in the year 2014 under the vision of **Mr. Kuldeep Kundlia**. In order to cater to the cold storage requirements of the large sector of agricultural based post processing, manufacturing and trading companies across the nation of whose market is Haryana, UP, Punjab & NCR Region, hence ECS came into being.

WHAT WE DO:

At ECS we offer our space to cold store variety of commodities such as Grains, Pulses, Seeds, Dry Fruits & Fresh Vegetables. We offer warehousing facility as well to our esteemed patrons who avail this as & when need arise.

WHY US?

TRUST is the centre of any relationship and at ECS we go an extra mile to ensure that we take immenses measures from our end to preserve all items in a **HYGENIC** & pest free environment and ensure that the goods are delivered back to you in the exact same **QUALITY** condition as we recieved them. Our **VWSF** Service i.e. Vehicle Weighing Scale Facility helps you track the weight of the goods at the time of entry & exit both in order to maintain absolute transparency.

We also ensure that all your E Way bills & printing related concerns are facilitated at our premise for no hassles during transit.
