## Journey of Learning and Bonding

- A cherished journey of over 25 years as Senior Management with three manufacturing units in the food industry and over 200 employees.
- Managed all aspects of the business with effective implementation of Food Safety Management System and managed budgets of key areas: Production, Operations, Technical/QA Department, Warehouse & Distribution, Training, Housekeeping, Purchase of Raw Material and Packaging Material. Vendor development was an important aspect with 'first time right' approach.
- This aided me in developing a passion for flavour in a safe and sustainable environment. A world without spices and food ingredients cannot be imagined. Therefore, the basic need to procure and process these precious gifts of nature in a sustainable and ethical manner, where food safety and quality culture is a way of life ...
- Consultancy and Training for effective and sustainable implementation of Global Standards for Food Safety was a natural transition after implementing these standards for over 20 years. Specialisation in development of customised training modules for different levels of an organisation ...
- Conceptualisation, Meticulous Curating and Customised Solutions of various components of Brand Building, Logo, Tag Lines, Accessories, Events, Spiced Culinary Experiences and more, adding the right amount of spice for all your endeavours. Our customised solutions under the Digital Marketing and Social Media vertical are the perfect value addition to further give all your endeavours the apt elevation ...
- Vendor Development with 'first time right' approach
- Successfully completed The ESG Proficient Director Program who can provide Governance and Oversight to companies in meeting their Environment, Social and Governance Challenges
- Qualified as the 1<sup>st</sup> Lead Auditor for Sattvik Council of India
- Community Service and Development being prime focus, was President of Rotary Club of Bombay Bay View for 2018-19.
- Travel and Technology enthusiast who enjoys Sports and Music. Guiding one and all on the path of ACE: Audit, Comply and Excel.
