Company Profile

Krishna Commercial Enterprises (KCE) was established in 2004 as a distributor of Thermoplastic Road Marking Material. Years that have passed by have seen the company grow step by step in the dynamic arena of Road Safety System. From just being a distributor of Thermoplastic Road Marking Materials, the company has diversified into production of Thermoplastic Road Marking Materials and Road Signages just because of our dedication towards the work, quality of material and satisfaction of our clients.

Our Products

- Thermoplastic Road Marking Material
- Thermoplastic Road Marking Machine
- Road Signages
- Spring Post
- Road Studs
- Solar Studs
- Speed Bumps
- Reflective Jackets
- Road Safety Cones

Thermoplastic Road Marking Machine (Semi Automatic)

Major Technical Parameters

Dimensions : 1200 mm x 900 mm x 1100 mm

Coating Weight : 100 KG

Marking width : 100 mm, 150 mm, 200 mm & 500 mm

Marking Speed : 500-1000 M/h

PVC Traffic Safety Cone

Length 750 mm, 450 mm

Spring Post

Made of PU Material

80 mm x 710 mm

3M ABS Cats Eye

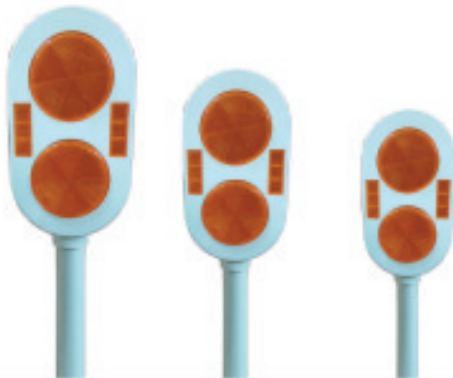

Normal

Dimensions :
90 mm x 110 mm x 17 mm
Two way Reflective
Confirms ASTM

With Double Shank

ABS Guide Post

Guide Post is moulded in ABS Plastic and is fixed on powder coated steel pipe.
Two 100 mm dia reflectors on both sides

SOLAR Road Studs

Dimensions :
133 mm x 123 mm x 25 mm

Two way Reflective
Solar Power LED 3 Each side

Dimensions :
125 mm x 125 mm x 25 mm

Convex Mirror

Vehicle Search Mirror

Wheel Lock/ Clamp

Tyre Deflator

Traffic Baton Light

Aluminum Alloy with Square Nail
Dimensions :- 100 mm x 100 mm x 20 mm
Each side 43 Beats panel

Safety Jacket Reflective

Road Measuring Machine

Median Marker
Tough Engineering Plastic body
with Retro Reflective

LED Hand Flash Light

Q-Manager

Speed Breakers

ABS Plastic Speed Breakers which are highly resistant to severe impacts and harsh weather conditions.

Size Available :-

350 mm x 250 mm x 50 mm
500 mm x 425 mm x 70 mm

Nightangle Pavement Marker

Dimensions :-
120 mm x 90 mm x 20 mm
Two way reflective
with ABS Moulded

Solar Delineator

Four Ultra Bright Flashing LED
Available in Red, Yellow, Green
Special base for mounting on Cone, Pole etc.

Hand Metal Detectors

Beep and Vibrating Mode

Only in Beep Mode

High Performance Professional Search Light

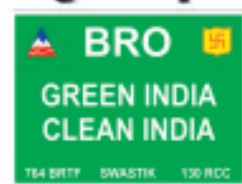

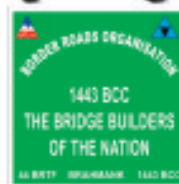

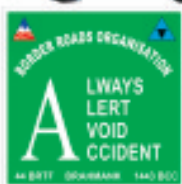

Range 1000mtr plus

Range 800mtr plus

Road Signages & Delineators

We are a leading manufacturer and installer of gentry mounted and cantilever type retro - reflective overhead signage & Delineators. Quality being the success mantra of our organisation, we use retro - reflective sheetings manufactured by 3M. **We are authorised convertor of 3M India Limited,** which is registered with Ministry of Surface Transport (Road Wings, Govt. of India, New Delhi.)

Thermoplastic Road Marking Material

We are engaged in producing a wide range of Thermoplastic Road Marking Material, which is Retro - Reflective. It is a petroresin based thermo setting material offering superior weather resistance and colour stability. The pre - mix and drop - on glass beads ensure long lasting reflectivity. These are available in White and Yellow Colour.

Road Marking Division

TEMPERATURE VERIFICATION

MARKING IN PROGRESS

We have also started a small unit of thermoplastic applicator. Today we have a fleet of Road Marking equipments with experienced teams to carry out any type of Road Marking job. All this have been possible just because of our commitment to produce fine quality pavement marking, always in time and to the required specification.
