ABOUT US

*We put our effort, We came out from our comfort, We devote our time
"Any Time Life Time"*

Above are not just a few fancy words or cool rhymes but these are binding lines of Life Time dry fruits PVT LTD. We have travelled a long journey to reach at this place and today when we are considered or named as top quality Gum Arabic and Gum karaya manufacturers and traders we became more responsible for our millions of consumers who trust our taste. Not just Gum karaya and Gum Arabic, In a very small span of time, we have become a premium quality cashew trader and manufacturer. Today when we heard the words of wisdom from our partners at our Khari Baoli stores, we feel privileged and that is the only secret of success.

" Life Time journey started in the year 1992, when young Mr. Kaushal Gupta joined his family business and single handily he managed to turn around the traditional brand into a modern and consumer-friendly brand. He started Khushi international in the year 2002 with the vision to become a brand of premium quality Cashew, Gum karaya, and Gum Arabic. He has not only devoted his time in expanding but also adopting the latest trend and ideas. He established an ultra-modern cashew processing plant in the year 2017 with all advanced machines at our industrial hub in Kundli.

INFRASTRUCTURE

We are the only player in Delhi/NCR which has raw cashew processing plant with a total capacity of 12 MT /day /shift. We are having an ultra-modern plant with advanced machinery and set up a world-class R&D Lab to meet international quality standards.

We adopt the latest food and safety audit standard and each product is being thoroughly checked for quality audit before going for dispatch. Our packaging unit is one of the advanced units in the current time where we manage to maintain a strict hygienic environment and freshness of our products. freshness of our products.
