School Uniforms

School uniform is a symbol of pride & uniformity, Creates identity for school in community and it also builds discipline in students. School uniforms build a sense of togetherness and equality among students & among the staff. It also helps in creating brand value to school and helps in easy identification of students from other schools. School uniforms teach students how to dress smartly and help them in preparing for professional career life. School uniforms contribute positively to a child's behavior in school & in their professional life.

Corporate Uniforms

We are known for providing a full professional wardrobe. With a choice of colour and embroidery options available, we make it simple to reflect your company branding through your staff uniforms. We offer a greater choice than many of our competitors, you can mix and match collections with a market-leading range of sizes and fittings.

Healthcare Uniforms

Healthcare professionals serve the nation as much as a soldier does. Aiming to providing the best quality products we bring to you a wide range of uniforms such as nurses' uniforms, scrub suits, OT dresses, lab coats, patient gowns as well as accessories like bed & bath linens and OT linens.

Industrial Uniforms

We design Industrial Uniforms depending on the type of industry, workplace conditions and the number of departments a company has. We offer all categories of work wear uniforms. Turn to us for a complete selection of apparel for construction workers, safety personnel, and first-responders. We provide industrial uniforms that are made from pure quality fabrics which live up to the industry norms and safety standards.

Hospitality Uniforms

Hotel uniform adds a formal yet trendy look to the staff team. They are not only functional but also make the staff look and feel great. We are entrenched to fabricate uniforms for hotels. We consider the duty of employee and design uniforms accordingly. Being a hotel uniform manufacturer, we offer all categories of hotel uniforms.
