We are pleased to introduce ourselves as a leading manufacturer for exterior lighting, providing lighting solution for the entire range of application from five star hotels to malls, swimming pools to clubs, landscaped gardens to building façade etc. We offer you the widest selection and exclusive range of lighting fixtures you will never find in India .

We have the range of quality products for both outdoor and indoor luminaries which no other manufacturer in India can match. Our products are fitted with the best components using the latest innovative lighting sources and reputed companies ensuring a high degree of efficiency and reliability of our products. Every electrical components has been attentively selected from the, worlds leading manufacturers such as Vossloh Schwabe, A.A.C. Stucchi, Philips, BLV, Tridonic Atco, G.E., Osram, Lumileds, Baig Electronics etc. to ensure the quality, safety and reliability.

We are pioneer in professional lighting having in house manufacturing and designing facilities meeting International specifications and standards. We are in a unique position to supply you with creative solutions to match your most complex requirements. We always keep on improving our products and services as customer satisfaction is of utmost importance to the company. We can also manufacture, service, repair and maintain your light fixtures on contract or turnkey basis providing quality services, cost, reliability and esthetics.

Please visit our website & have a look at our product range for exterior lighting solutions.

Feel free to call us for any queries and requirements.

- Mukesh Mfg. Company and its affiliates in India are not responsible for inadequate use of a product or a misapplication of one of their light fittings. All products are subject to specific installation instructions either supplied within each product carton or through the wholesaler or the manufacturer's representative.
- Power tools shall not be used to tighten or assemble products. All installations shall be performed with respect to the local, state and country electrical code (Licence holders). All items must be properly grounded and all installations should be performed by a professional electrician or a duly licensed contractor.
- All installation matter and failures related to installation will be the installer's responsibility and will remain so throughout the life of the product.
- Mukesh Mfg. Company products have been factory tested. There is no warranty offered on lamps other than lamp manufacturers warranty if any. Mukesh Mfg. Company accepts no responsibility for damage to any ancillary equipment or inconvenience caused by the failure of our products. Mukesh Mfg. Company reserves the right to alter fittings or specifications at any time.
