About Us

“ Vertex Films Pvt. Ltd. is renowned and largest integrated manufacturers of tapes established in 2003. Legacy of over 17 years and the company has grown significantly in size and prepared itself with necessary resources to meet the growing demands of Industry. We are ISO Certified and have well-equipped Factory premises of 8000 sq. ft.

PP boxes are widely used for the storage of delicate items that includes head lamp, tail lamp, mirror and many other things. These are preferred boxes due to their strength reusability and life duration.

PP Boxes | PP Crate & Bins | PP Sheets & Partition
PP Grid | EPA Foam | EVA & XLPE foam

"On time delivery is our" Main Motto" and we endeavor to achieve stable, long term growth. And Moreover, owing to our client centric approach, timely delivery and industry leading prices, we have created a benchmark in the competitive industry."
