ABOUT OUR COMPANY:

Legend Traders takes pride in being a key stakeholder as trader and marchant of spices and agriculture produce and fragrant hearbs. As a committed and dynamic enterprise we take care to not only undertake trade but to connect all the farmer, co farmer and FPO's to support and introduce their produce in national and global market and also we build up a lasting support through sustainable business partnership with fellow traders, consumers and all concerned stakeholders.

We also fell proud to introduce our brand as Akhand Bharat which means greater India and with the concept of Akhand Bharat we are connecting all the farmer and FPO's from the various part of India to introduce their indigenous agriculture produce in national and global market.

ABOUT OUR FOUNDER:

Our journey started as a grower of Paddy, Chilly, Turmeric, Green Chickpeas (Hara Chana) etc. In the year 1985 we recognised and certified by the assam Govt as a largest grower of paddy. We are in the filed of trading since 1990 under the third party banner, in the year 2017 we have registered our firm Legend Traders with a dream of supporting farmer to market their produce and to generating employment through agriculture.

In the year 2020, we were the first to register as a marchant exporter of spices and agriculture produce from the state of Assam, India

We are well versed in producing, sourcing and delivering the best quality conventional and organic produce from the various part of North-east India in retail and bulk. We are the grower and the processor of Turmeric, Ginger, Tejpatta, black pepper and many medicinal and fragrant hearbs.

Our uniqueness is that most of the spices we are growing and processing so we can give quality assurance in a regionalble price to our client. We are supplying raw material to various food industries as well as we are dealing with process food products.
