Redefining Furniture,
Tastefully.

Piyestra

Affordable Furniture for Your Home & Office

Sleek, elegant and timeless furniture for all your home and office needs made with care, love and precision. Delve into our exclusive range of premium products and bring home the change that you deserve, only with Piyestra.

About Us

Piyestra is a leading furniture manufacturer in Asia that is known for its affordable yet premium quality products. The entire range of Piyestra products is manufactured in a modern, state-of-the-art factory complex manned by experienced staff and equipped with the best facilities so that each and every piece of a product receives the same amount of love and care that it deserves. Well-entrenched in the Indian market, Piyestra is now manufacturing products that are perfectly tailored to meet the needs of the most discerning customers in this rapidly developing environment. With over 30 years of experience in the furniture industry, timely incorporation of the most modern technologies available and a dedicated workforce numbering over 10,000 employees, Piyestra is all set to take the Indian market by the storm! The only question remains - are you ready for the change?.

With the goal of setting new benchmarks in the furniture market, Piyestra is more than eager to take the world by storm through its exclusive range of premium products that stand out both in terms of quality and value for money. Using backwards integrated manufacturing processes to provide uncompromised and consistent quality standards across all stages of production, Piyestra is quickly becoming the undisputed leader among furniture brands in the industry. Crafted with love, care and precision, our products reflect all the qualities that one might look for in a furniture brand - elegance, comfort and style coupled with sleek design choices.

PHC 003

The brand for best furniture

Quality policy

We use backward integrated manufacturing processes to provide uncompromised and consistent quality standards maintained during every stage of production.

Warranty Cover

Keeping your furniture clean is important as it will help it endure for years. Tumble cleaning method can damage the furniture. Our products are free of manufacturing and material defects. If you take good care of your furniture it will last long.

After Sales

We check the product to make sure you are satisfied and provide rapid and timely resolution of your repair problems.

Our Sales & Marketing team is available to assist you with questions, product information or quotes. For any feedback, request for products presentation or tendering proposal, get in touch with us. Thank you for your interest. We look forward to working with you.

The brand for best furniture

Piyestra is a brand from the stable of one of the largest furniture manufacturers in Asia, which is known for its affordable yet good quality furniture. Well-entrenched in the Indian market, its products are perfectly tailored to meet the needs of the most discerning customers. The company has many branches across India and has taken up new initiatives for further expansion to increase its dealer networks in India and cater to the growing demand for its products. It has adopted new technology along with a cost-efficient and environment-friendly approach to scale up production.

Brand of trust

Our focus on quality has won us the trust in the market and a dominant place in the furniture manufacturing industry. Before the furniture hits the store, it is made to go through various quality checks and vigorous physical checks. Raw materials are handpicked to create the best furniture with uncompromised quality and looks. The expert team designs ingenious products maintaining consistency in quality and manufacturing standards are maintained rigorously.
