COMPANY PROFILE

NATIVE ENTERPRISES is the only production house of Indoor and Outdoor LED products based in Dimapur, Nagaland. 2021 is the year we started our journey and in a short span of time, we have grown to a trusted manufacturer, trader and wholesaler of LED “SANGWA” brand products and solar products.

Native Enterprises is also the only authorized and certified dealer for Nagaland region of India’s no. 1 Solar Panel Manufacturer known as Loom Solar. Not only do we manufacture LED products, install Solar Rooftop Systems and solar street lights but we also do interior LED designs and LED decors.

We are ISO 9001:2005 IAF certified company enabling us to serve better with International standard products. We use the latest technology and ideas what the world is using in the field of LED lights.

SANGWA is our brand under Native Enterprises (NE).
