

PM **MATRIX**™

STAINLESS STEEL CUTLERY

Prabhu Metal is a renowned stainless steel cutlery manufacturer established in the year 2017. We specialize in manufacturing a wide range of high quality cutlery including spoons, serving spoons and tea strainers, all under the brand name MATRIX. Our commitment to innovative designs, excellent craftsmanship and premium quality has earned us a significant place in the market.

Product Range

At Prabhu Metal, we pride ourselves on offering a diverse range of stainless steel cutlery to suit a wide variety of needs and preferences.

Our product range includes :

Impress Baby Spoons : They are perfect for restaurants and catering companies and can raise the level of service and dining pleasure.

14 and 16 Gauge Spoons : Available in both 14 and 16 gauge, our standard spoons offer durability and practicality for everyday use.

Ladle: Perfect for culinary enthusiasts and professional chefs, our ladle makes serving and cooking effortless.

Serving cutlery: Designed for serving a variety of dishes, our serving cutlery combines functionality and aesthetics to enhance any dining experience.

Quality and Innovation

Every Prabhu Metal product goes through a careful development phase that begins with extensive market research to understand consumer preferences and needs. We value our customer's insights and use them to inspire our product designs. Our dedicated manufacturing team, made up of experts with a wealth of experience, uses the latest technology to produce cutlery that fits seamlessly into modern kitchens.

Elevate your dining experience

Turn the page and immerse yourself in the world of perfect serving. Our premium stainless steel cutlery will enhance your dining experience and become an integral part of your cherished moments in the kitchen.
