

# SOLUTIONS BEYOND DIMENSIONS

# ABOUT US

Since its inception in 2003, **Sarjak Container Lines** has pioneered the way for the movement of over dimensional cargo and project logistics.

Being amongst the largest NVOCCs globally, we ensure timely availability of our own fleet of special equipment, providing you with customised and world-class ODC/OOG solutions.

Over the years, we have delivered seamless, knowledge-based solutions for the carriage of diverse project cargo, through our own offices and our vast global agency network spread across 84+ countries and 275+ port cities.

Sarjak Container Lines is the flagship brand of the **SAKSHAM Group**, which, for close to three decades, has emerged as one of the largest logistics conglomerates across the globe. With 7 world-class companies under its umbrella, the group specializes in project logistics, chemical transportation, container trading, custom broking, shipping services, vessel owning & IT solutions.

# OUR VISION

*To be the unmatched leader in providing digitally enabled, innovative, customer-centric solutions for project cargo logistics.*

# OUR MISSION

## Customer centricity

We are committed to providing our customers with the best possible experience by placing them at the core of all our efforts.

## Sustainable innovation

Leveraging technology and harnessing the digital ecosystem to develop sustainable solutions to stay ahead of the curve.

## Collaboration

With customers and partners to unlock exponential values.

## Enriching workspace

Building an entrepreneurial environment that fosters bold thinking and innovation to facilitate high productivity while enhancing our employees happiness index.
