Pharmalab

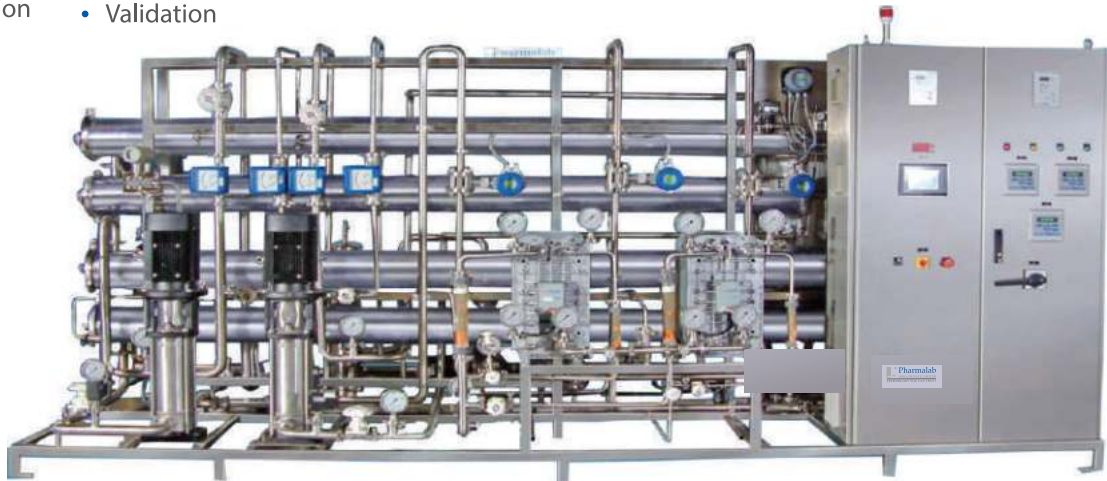

INDIA PRIVATE LIMITED

TECHNOLOGY YOU CAN TRUST

WATER SYSTEMS

Water System comprises of Purified water and Water for Injection

- Generation
- Storage
- Distribution
- Automation
- Turn Key execution
- Validation

Purified water Generation System

Pure Steam Generator

Multiple Effect Distilled Water Still

Pure Steam Testing Kit

Point-of-Use (POU) System

PROCESS EQUIPMENT

State-of-the-art Automated & Semi-Automated Process Systems for

- Liquid Orals
- Aseptic Liquids
- Ointments-Sterile and Non Sterile
- Biotechnology
- Soft Gelatin
- CIP/SIP systems
- Process Piping and Automation
- Basic Chemicals / Intermediates / Bulk Drugs

Three tank Liquid Oral Manufacturing

Ointment Manufacturing System

Fermenter 25L

Aseptic liquid processing line

Mobile Automatic CIP/SIP System

STERILIZER

High pressure steam & Dry heat sterilization of

- Rubber Stoppers
- Garments
- Machine Parts
- Rubber Parts
- Media
- Terminal Sterilization
- Ampoule Leak Testing
- Empty Vial and Ampoule Sterilization

Super-Heated Water Spray Sterilizer

Ventilator Sterilizer

PHARMACEUTICAL WASHER

Multipurpose Pharmaceutical Washer

FILTRATION

Used for separation of undissolved Solids from Liquids like

- Pharmaceutical syrups
- Solvents / Aqua based Bulk Drugs
- General Chemicals
- Sugar Syrup of Beverages
- Agrochemicals
- Oil
- Alcoholic drinks
- Bacteriological filtration of liquid injectables

Plate and Frame Filter Press with Hydraulic Power Pack

Automatic Horizontal Plate Filter

Rotary Vacuum Drum Filter

Bag Filter

Filter Press with Cartridge Assembly

STERILIZER

High pressure steam & Dry heat sterilization of

- Rubber Stoppers
- Garments
- Machine Parts
- Rubber Parts
- Media
- Terminal Sterilization
- Ampoule Leak Testing
- Empty Vial and Ampoule Sterilization

**Steam Sterilizer
(Horizontal Sliding Door)**

**Steam Sterilizer
(Hinge Door)**

**Steam Sterilizer
(Vertical Sliding Door)**

Vertical Drum Autoclave

Dry Heat Sterilizer

Vacuum Tray dryer

PACKAGING SYSTEMS

Fully Automatic and Semi Automatic packaging lines for

- Liquid Orals
- Liquid Injectables
- Sterile Dry Powders
- Personal Care / Home Care Products
- Agrochemicals
- Distilleries
- Foods
- Oils - Edible / Mineral

Rotary Washing & Monoblock Filling-Capping Machine

Bottle Cartoner

Double Head Tube Filling Machine

Airjet Bottle Cleaning Machine

Labeling Machine

5 Continents

57 Countries
