RITUU BHAVESH JHAVERI

Rituu B. Jhaveri, a Mumbai native and gemstone connoisseur, carries on the legacy of her family's business, founded by the visionary Motichand Jhaveri 80 years ago and passed down to Hemchand Motichand Jhaveri and Bhavesh Hemchand Jhaveri. With wit, eloquence, and foresight, she embraces the role of the third generation, inspired by the beauty and culture of the world, and hailed as a modern-day Cleopatra. She created her own brand **ROWA'S JEWELS** to give a new face to the legacy, she faces every challenge with grace and determination, proving her unwavering dedication to the world.

ROWA'S JEWELS

ROWA'S JEWELS BY RITUU B JHAVERI

ROWA'S JEWELS by Rituu Jhaveri are designs patterned and influenced by the golden ratio with finesse and symmetry. Imbued with the essence of India, each creation reflects her passion for crafting pieces that accentuate the individuality of the wearer. Which is why each ornament is classic, yet contemporary; expressive, yet intuitive: and stylish without overwhelming the personality of those whom it adorns.

Own a piece of brilliant splendour. Wear a cut of radiance. Possess an unforgettable heirloom.

We also design emotions ...

For HER who craves for new , but holds the traditional feelings close to her heart by bringing new life into your old, family , heirloom jewels .
