'V' GROUP OF COMPANIES

Performance Par Excellence

At V-Chains it has been constant endeavour to widen the choice for customer in terms of range and design. This second volume speaks tones about its technical wizardry as well.

'V' group (fondly known as 'Vadala' group), pioneered by Mr. Indramal Vadala Jain has imbibed the strength of core values into business practices. The multi-fold growth of the group achieved by his next generation stands testimony to this.

V-Chains, in the leadership of Mr. Vinod Vadala Jain has worked wonders in earning loyal customer support. The company recently received 'Indian Business Leadership Award' for its dedicated efforts.

My-Gold headed by Mr. Suresh Vadala Jain and V-Gold & V-Cast in the guidance of Mr. Subhash Vadala Jain have contributed enormously in transforming a humble beginning into a mighty enterprise.

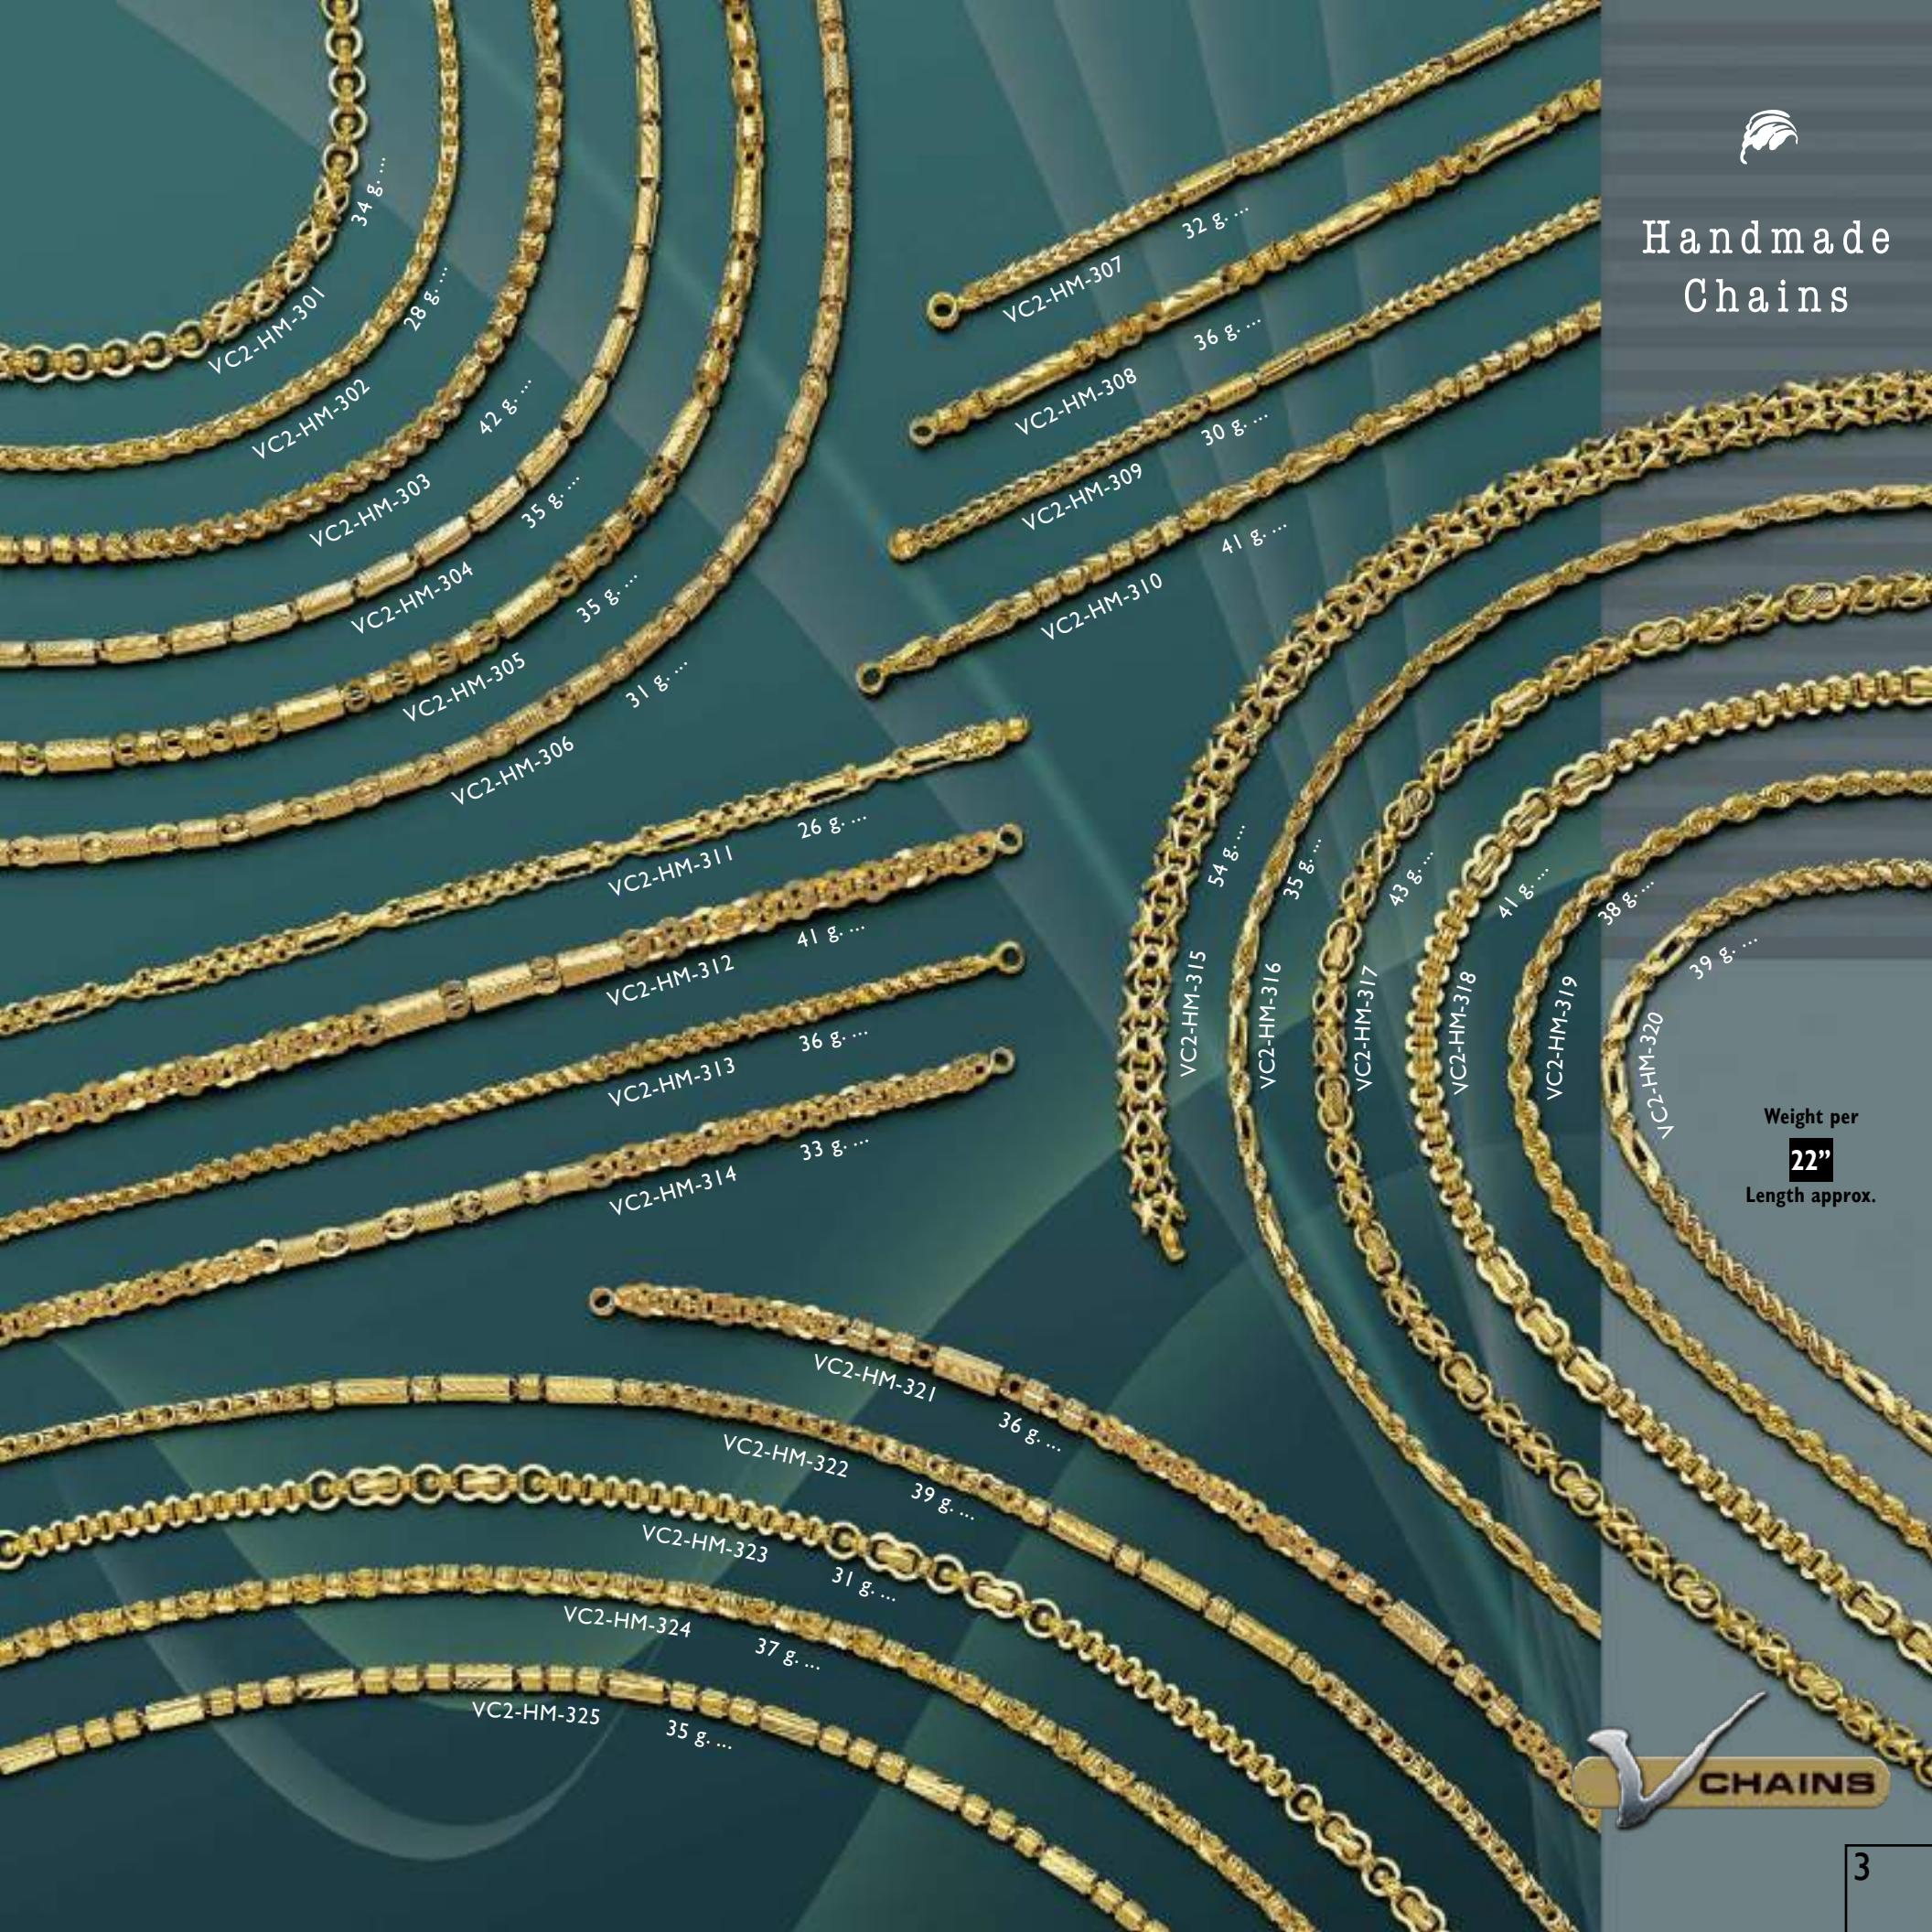

The group has also initiated a bulletin called 'V-News', addressing industry related issues.

The Performance par excellence continues ...
