ASL ENTERPRISES LIMITED

Manufacturing Division

- ✓ ASL Enterprises are stockiest of **CR/HR/ Structural Steel** of Prime Producers such as **SAIL, Bhushan, JSW**, etc. and also **Steel Service Center** of SAIL and Tata Steel.
- ✓ The Company decided to **Forward Integrate** into the business of manufacturing of **Technological Structures, Fabricated Beam Manufacturing, Rigid Axle Beams** and **Fully Built Vehicles** such as Trailers.
- ✓ Thus in **2017** The **Manufacturing Division** Started.
- ✓ During the time the company catered to Companies like **L&T & Tata Steel – Growth Shop** for their project requirements.
- ✓ **In the year FY 18-19**, The In-House design team of **Manufacturing Division** started with **Designing of Trailers and FBV** and Launched under our own Brand of Trailers in the year FY 19-20.
- ✓ During the year **ASL Team Developed Fabricated Chassis Beam** that reduces the weight of the trailer by **700kgs~** without compromising on the strength of the chassis.

Clients
